Complaints

A complaint is an assertion by an employee that there has been a violation, misinterpretation, or inequitable application of district policies, administrative regulations and procedures, existing laws, or other actions that adversely and directly affect the employee personally and/or his/hr work.

It is the intent of this procedure that employee complaints will be identified and corrected at the earliest possible time and at the lowest level of supervision.

Complaint processing should be viewed as a positive and constructive effort which seeks to establish the facts upon which the complaint is based and come to a fair conclusion. Employees shall not be discriminated against nor shall reprisal be attempted against an employee because he/she filed a complaint.
