### **SEXUAL HARASSMENT**

**BP 5145.7**

Note: A district can be held liable for civil damages for the sexual harassment of students pursuant to Title IX and/or Education Code 220, if the district is found to have been "deliberately indifferent" in its response to known sexual harassment. In *Davis v. Monroe County Board of Education*, the U.S. Supreme Court held that a district would be deliberately indifferent if (1) the harasser and the context in which the sexual harassment occurred were within the district's control; (2) the harassment was so severe, pervasive, and objectively offensive that it deprived a student of access to educational opportunities or benefits provided by the district; (3) the district had actual knowledge of the harassment; and (4) the district's conduct was unreasonable considering the surrounding circumstances. This standard was applied by an appellate court in *Donovan v. Poway Unified School District* based on Education Code 220.

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits sexual harassment of students at school or at school-sponsored or school-related activities. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

Note: OCR's January 2001 Revised Sexual Harassment Guidance and 2011 Dear Colleague Letter: Sexual Violence note that, regardless of whether a harassed student, his/her parent/guardian, or a third party files a complaint under the district procedures or otherwise requests action on the student's behalf, a school that knows, or reasonably should know, about possible harassment must promptly take action to determine what occurred and then take appropriate steps to resolve the situation. Even where a parent/guardian or student does not wish to disclose the student's identity, there are steps a school can take to limit the effects of alleged harassment and prevent its recurrence without initiating formal action. Such steps may include limited investigative activities and actions to protect the complainant and the school community and prevent recurrence while keeping the identity of the complainant confidential. These actions may include providing services to the complainant, such as counseling services; providing increased monitoring, supervision, or security at locations or activities where the misconduct occurred; providing training and education materials for students and employees; or changing and publicizing the school's policies on sexual violence. OCR has indicated that the principles in its Revised Sexual Harassment Guidance also apply to harassment based on race, color, national origin, disability, or age.

The district strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult to immediately contact his/her teacher, the principal, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the principal or a district compliance officer.

*(cf. 5141.4 - Child Abuse Prevention and Reporting)*  
*(cf. 5145.3 - Nondiscrimination/Harassment)*  
*(cf. 6142.1 - Sexual Health and HIV/AIDS Prevention Instruction)*

Complaints regarding sexual harassment shall be investigated and resolved in accordance with law and district procedures specified in AR 1312.3 - Uniform Complaint Procedures. Principals are responsible for notifying students and parents/guardians that complaints of sexual harassment can be filed under AR 1312.3 and where to obtain a copy of the procedures.

*(cf. 1312.3 - Uniform Complaint Procedures)*

The Superintendent or designee shall take appropriate actions to reinforce the district's sexual harassment policy.

### **Instruction/Information**

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance

Note: In its April 2011 Dear Colleague Letter: Sexual Violence, OCR acknowledges that, where sexual harassment or violence occurs in the context of other possible rule violations, students may be reluctant to report sexual harassment or violence. For example, a student who is sexually harassed while he/she is away from school without permission may be reluctant to file a complaint if he/she believes that he/she may be disciplined for the violation. As such, item #4 below clarifies that any other rule violation will be addressed separately from the sexual harassment complaint in order to encourage students to report the harassment.

3. Encouragement to report observed incidents of sexual harassment even where the alleged victim of the harassment has not complained
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved

5. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
6. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable

### **Disciplinary Actions**

Any student who engages in sexual harassment or sexual violence at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

*(cf. 5144 - Discipline)*

*(cf. 5144.1 - Suspension and Expulsion/Due Process)*

*(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))*

Any staff member found to have engaged in sexual harassment or sexual violence toward any student shall be subject to discipline up to and including dismissal in accordance with applicable policies, laws, and/or collective bargaining agreements.

*(cf. 4117.4 - Dismissal)*

*(cf. 4218 - Dismissal/Suspension/Disciplinary Action)*

*(cf. 4119.11/4219.11/4319.11 - Sexual Harassment)*

### **Record-Keeping**

The Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address, and prevent repetitive harassing behavior in district schools.

### **Reporting Process and Complaint Investigation and Resolution**

Any student who believes that he/she has been subjected to sexual harassment or who has witnessed sexual harassment is strongly encouraged to report the incident to his/her teacher, the principal, or any other available school employee. Within one school day of receiving such a report, the school employee shall forward the report to the principal or the district's compliance officer identified in AR 1312.3. In addition, any school employee who observes an incident of sexual harassment involving a student shall, within one school day, report his/her observation to the principal or a district compliance officer. The employee shall take these actions, whether or not the alleged victim files a complaint.

In any case of sexual harassment involving the principal, compliance officer, or any other person to whom the incident would ordinarily be reported or filed, the report may instead be submitted the Superintendent or designee.

*(cf. 5141.4 - Child Abuse Prevention and Reporting)*

When a report of sexual harassment is submitted, the principal or compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with the district's uniform complaint procedures.

If a complaint of sexual harassment is initially submitted to the principal, he/she shall, within two school days, forward the report to the compliance officer to initiate investigation of the complaint. The compliance officer shall contact the complainant and investigate and resolve the complaint in accordance with law and district procedures specified in AR 1312.3.

### **Confidentiality**

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

However, when a complainant or victim of sexual harassment notifies the district of the harassment but requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the harassment or take other necessary action. When honoring a request for confidentiality, the district will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.

When a complainant or victim of sexual harassment notifies the district of the harassment but requests that the district not pursue an investigation, the district will determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students.

*(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)*  
*(cf. 5125 - Student Records)*

### **Response Pending Investigation**

When an incident of sexual harassment is reported, the principal or designee, in consultation with the compliance officer, shall determine whether interim measures are necessary pending the results of the investigation. The principal/designee or compliance officer shall take immediate measures necessary to stop the harassment and protect students and/or ensure their access to the educational program. Such measures may include placing the individuals involved in separate classes or transferring a student to a class taught by a different teacher, in accordance with law and Board policy. The school should notify the individual who was harassed of his/her options to avoid contact with the alleged harasser and allow the complainant to change academic and extracurricular arrangements as appropriate. The school should also ensure that the complainant is aware of the resources and assistance, such as counseling, that are available to him/her. As appropriate, such actions shall be considered even when a student chooses to not file a formal complaint or the sexual harassment occurs off school grounds or outside school-sponsored or school-related programs or activities.

## **Notifications**
