

Año LCAP (seleccione entre 2017-18, 2018-19, 2019-20)

2018-19

Plan de Responsabilidad de Control Local y Plantilla de Actualización Anual (LCAP)

[Adición](#) : instrucciones generales y requisitos reglamentarios.

[Apéndice A](#) : Cálculos de tarifas de las Prioridades 5 y 6

[Apéndice B](#) : Preguntas orientadoras: usar como indicaciones (no como límites)

[Rúbricas de evaluación LCFF](#) : datos esenciales para apoyar la finalización de este LCAP. Por favor, analice el conjunto completo de datos de la LEA; enlaces específicos a las rúbricas también se proporcionan dentro de la plantilla.

Nombre LEA

Compton Unified

Nombre de contacto y título

Colleen Hawkins
Asistente del Superintendente Ed. Servicios

Correo electrónico y teléfono

chawkins@compton.k12.ca.us
(310) 639-4321 46512

Resumen del plan 2017-20

La historia

Describa a los estudiantes y la comunidad y cómo les sirve LEA.

La misión del Distrito Escolar Unificado de Compton es "facultar a los líderes a liderar, los maestros a enseñar y los estudiantes a aprender fomentando un ambiente que aliente a los líderes y maestros a ser visionarios, innovadores y responsables del logro de todos los estudiantes".

Contexto del Distrito: El

Distrito Escolar Unificado de Compton atiende aproximadamente a 23,000 estudiantes desde Pre-K hasta la escuela de adultos. El distrito está compuesto por 21 escuelas primarias, 6 escuelas secundarias, 3 escuelas secundarias integrales, una escuela secundaria inicial para los grados 6-12, una escuela secundaria de continuación y una escuela para adultos. La población estudiantil del 2017-2018 es 79% hispana / latina, 17.9% afroamericana, 0.5% isleña del Pacífico, y el 2.6% restante es una colección de las otras categorías raciales como nativo americano, blanco / no hispano, y no Reportado ("Inscripción del distrito por etnicidad"), 91.3% jóvenes con desventajas socio-económicas, 33.7% Aprendices de inglés, 1.4% jóvenes de crianza y 11.88% de educación especial.

ELEVAR Compton:

La Junta de Fideicomisarios del Distrito Escolar Unificado de Compton y el Superintendente han proporcionado una visión y los recursos necesarios desde 2013 para comenzar y continuar un esfuerzo de recuperación en todo CUSD. Al tener un fuerte enfoque en preparar a los estudiantes para el siglo XXI garantizando que estén listos para la universidad y la carrera (CCR), el distrito ha comenzado a implementar nuevos programas y revitalizar programas más antiguos para satisfacer estas demandas. Por ejemplo, CUSD se asoció con Compton College para proporcionar un programa Early College para estudiantes de secundaria que buscan un desafío y desean intentar graduarse con un diploma de escuela secundaria y un título asociado. Pero Early College no es el único programa de CCR que se implementa. Compton High School es actualmente un candidato para convertirse en una escuela de Bachillerato Internacional (IB). Este programa les permitirá a los estudiantes experimentar el plan de estudios a nivel internacional que los preparará para la economía global que enfrentarán después de la graduación. La universidad, sin embargo, no es el único camino para los estudiantes de CUSD. En 2016-2017 CUSD renovó por completo su programa CTE para proporcionar nuevas vías que satisfagan las demandas actuales de la industria y que hayan renovado sus instalaciones CTE para cumplir con las especificaciones más actuales de la industria. CUSD también ofrece una variedad de programas de robótica y ciencias de la computación para estudiantes K-12 y Project Lead the Way (PLTW) como parte de su iniciativa STEAM en todo el distrito que ayuda

a los estudiantes a tener éxito en el siglo XXI. CUSD tiene un programa líder en STEM y Ciencias de la Computación que ha sido observado por la Casa Blanca, por la Verizon Digital Promise Grant y por la League of Innovative Schools. no es el único camino para los estudiantes de CUSD. En 2016-2017 CUSD renovó por completo su programa CTE para proporcionar nuevas vías que satisfagan las demandas actuales de la industria y que hayan renovado sus instalaciones CTE para cumplir con las especificaciones más actuales de la industria. CUSD tiene un programa líder en STEM y Ciencias de la Computación que ha sido observado por la Casa Blanca, por la Verizon Digital Promise Grant y por la League of Innovative Schools.

El objetivo del Distrito Escolar Unificado de Compton es proporcionar a todos los estudiantes una experiencia educativa de calidad en formatos que satisfagan las necesidades de la comunidad. Ya sea para ofrecer Programas de Inmersión Dual en escuelas primarias, Mandarín en la escuela secundaria o proporcionar modelos K-8 para que los padres y estudiantes puedan elegir el formato de medio año que mejor se adapte a sus necesidades, CUSD está trabajando para proporcionar este tipo de experiencias para sus estudiantes . Las artes son otra área importante para que los estudiantes de CUSD experimenten. Ya sea nuestro programa Meet the Masters en nuestras escuelas K-8, los programas Turn-around Arts en Whaley MS, McKinley ES, y King ES, o nuestras asociaciones con varios grupos de medios (es decir, Apple, Verizon, Capitol Records, WME , Music Unites, etc.) los estudiantes en CUSD tienen muchas oportunidades de experimentar una educación artística.

Con su aumento en los puntajes de las pruebas estatales (fuera de los distritos y el estado en aumentos generales en ELA y matemáticas), su aumento de casi 20% en la tasa de graduación de la escuela secundaria, su aumento en la asistencia en los últimos tres años, CUSD está verdaderamente **en movimiento para ELEVAR a los estudiantes para LOGRAR más**. Es un distrito escolar que está marcando el camino para otros en el área metropolitana de Los Ángeles y que debe ser observado de cerca como un modelo de cómo lograrlo en un entorno urbano.

Lo más destacado de LCAP

Identifique y resuma brevemente las características clave del LCAP de este año.

A través de un análisis exhaustivo de los datos de rendimiento estatales y locales, y de los considerables aportes del personal y diversos interesados, se identificaron los cinco objetivos siguientes en los próximos tres años.

Meta 1: Todos los estudiantes cumplirán o superarán los estándares académicos estatales que los prepararán para competir en la sociedad global.

- Proporcionar **desarrollo profesional** relevante y de calidad para todo el personal del distrito impulsado por las necesidades de datos y apoyos para alcanzar las metas y métricas del LCAP del distrito.
- Provide students and staff with **21st Century learning opportunities** by incorporating the most recent technology hardware and software to support student achievement and skill development. This includes establishing a **TK-12 computer literacy pathway** to ensure all students have the requisite skills to compete in a 21st Century environment – learning & career or industry.

- Provide intervention tutoring programs during the school day - **Project REACH** (Literacy Intervention), **Project RISE** (Mathematics Intervention), and Edgenuity for **credit recovery** grades 9-12.
- Provide **arts enrichment** opportunities for students K-12.
- Provide **summer school opportunities** for intervention and enrichment K-12.
- Provide **Science, Technology, Engineering, and Mathematics (STEM)** experiences TK-12 to allow students access an integrated 21st Century curriculum.

Goal 2: All staff and community partners will collaborate to ensure all necessary materials, equipment and supports are provided to students within a safe and well-maintained learning environment.

- Provide **well maintained facilities that meet 21st Century expectations** (e.g., computer technology available in all classrooms and on all campuses, green utilities management, State and Federally compliant, etc.).
- Ensure students are safe and secure while at school by providing **appropriate district security staff** and by implementing appropriate safety procedures on each campus.
- Provide a **technology team** who understands the demands of providing and maintaining a large district network where students and staff are dependent upon it for learning.
- Provide **quality, individually appropriate special education programs and services** to meet the needs of qualified students.

Goal 3: Students will have full access to a variety of courses and enroll in a scope of study that will prepare them to be college and career ready.

- Provide **rigorous course pathways and programs** that prepare students for college and career.
- Provide students with access to **relevant Career Technical Education (CTE) pathways** that support both college and career readiness.
- Provide secondary students with **additional counseling resources** to allow them to both understand their individual academic path, but to also develop connecting, mentoring relationships with adults in school.
- Provide **parents and students with college and career information**, regularly, through the use of technology, social media, and face-to-face events.

Goal 4: All staff will promote student engagement by building positive environments, inclusive of parent and community participation.

- Establish **attendance monitoring programs** and systems to ensure student attendance meets the 98% goal.
- Establish student **Wellness Centers** across the district (i.e., all comprehensive high schools and select middle and elementary school campuses) to provide **both physical and mental health services** to students in need.
- Provide school sites and district with **parent support centers** to allow for information to be readily shared and provide relevant workshops to assist parents in supporting their individual student's academic needs.
- Establish a **Parent Leadership Academy system** to support parent learning needs for helping their child(ren) be successful in school.
- Maintain district and site level **advisory committees** such as the District Advisory Committee (DAC/SSC), the African American Parent Advisory Committee, and the English Learner Advisory Committee (DELAC/ELAC) to continue dialogue with parents and community members.
- Provide **enrichment activities** (i.e., Team Joy and Fun) at each school through the implementation of activities and the establishment of clubs, organizations, and teams to allow students to grow their athletic and social emotional skills as well as their academic skills.

Goal 5: English Learners will acquire the academic and linguistic skills needed to attain grade level proficiency and college/career readiness.

- Provide regular quality **English Language Development (ELD)** instruction to all English Learner identified students daily.
- Provide **Newcomer Services** to meet the needs of students who have been enrolled in US school for less than two-years.
- Provide **Long-Term English Learners (LTELS)**, students identified for five or more years, with interventions and resources to ensure their reclassification.
- Provide **bilingual instructional assistance** to support EL students in their core instruction.
- Provide **professional development** to allow all teachers to employ the strategies needed to effectively support the academic achievement, in English, of all EL students.
- Provide specific **parent workshops and support services for parents of EL students** to support the academic achievement, in English, of their individual children.

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

After a review of the current LCFF Evaluation Rubrics, CUSD has identified the following areas of greatest progress:

Graduation Rate: One of CUSD's most significant accomplishments is in the area of high school graduation rate. In 2013-2014 CUSD had a high school graduation rate of approximately 60% which was one of the lowest rates in the state. Over the last three years efforts the district has seen more than 20% rise in graduation rate to have its fall 2017 California State Dashboard rate at 86.1%. This shows an 11.1% (Increased Significantly) over the previous year's reporting. Although two of the student groups are showing "red" in the performance area (Special Ed. +12% and Foster Youth +14.5%), ALL student groups show increases with MOST showing "increased significantly". CUSD students are graduating! In addition, CUSD's A-G completion rate for preparing students for UC and CSU colleges has grown from 23.3% ('13-'14) to 26.2% ('15-'16), to 31% ('16-'17). College preparedness is truly on the rise!

English Learner Progress: Progress of EL students is also very important in CUSD. The current student performance for the fall 2017 Dashboard shows "yellow" for our EL progress. This is a change from "orange" that was originally shown in the spring 2017 release. The improvement in EL progress is due to consistent performance in our students' English attainment, our increases in students with less than 5 years (+6%) & more than 5 years in the program (+5%) and our reclassification rate has increased to 14.4% (+4%) for '16-'17. Work to improve EL services with students has been done at our K-8 schools through a 90-minute block ELD/Intervention model, providing Newcomer programs at all levels, providing journalism programs for EL students K-12, and providing various levels of staff development around the current ELD standards with both integrated and designated ELD options.

Math (Grades 3-8) Progress: CUSD has spent a large amount of time during the last three years focusing on mathematics instruction. The current student performance for the fall 2017 Dashboard shows "yellow" for our math progress in grades 3-8 with most student groups showing increases in student performance overall. This is due to providing intervention programs like Project RISE, after-school tutoring, the Toros Academy on Saturdays (grades 6-8), and IReady K-8 for individualized support and remediation so students can begin closing the gap and excelling mathematically.

CAASPP Results (Grades 3-8) Overall: The overall CAASPP results for CUSD for the past two years shows that we are performing ahead of local area districts and performing ahead of the State average for both ELA and Math. When compared to local area districts (e.g., Inglewood, Lynwood, LAUSD, and Long Beach), CUSD shows a 6% increase in ELA and a 5% increase in Math ('15-'16) as well as a 2% increase in ELA and a 5% increase in Math ('16-'17). When examining local area comparison districts CUSD had the highest increases in '15-'16 (tied with LBUSD for ELA), had the second highest increase for ELA in '16-'17, and had the highest increase for Math in '16-'17. The State performance for these same periods was ELA - 5% ('15-'16) & 0% ('16-'17); Math - 4% ('15-'16) & 1% ('16-'17). There is still a lot of work remaining for improving the achievement of students academically in CUSD, but clearly we are on the move and headed in a positive direction.

Student Attendance: CUSD has put considerable efforts into ensuring its students are attending school regularly. The attendance rate for 2013-2014 was 94.7%. At the end of 2016-2017 the district attendance rate continued to increase to 95.81%. In anticipation of the 2018 metric for chronic attendance CUSD has been focusing on improvement in this area. The 2016-2017 chronic attendance rate for CUSD was 17.7% for continuous enrollment. The estimated rate for the current school year is approximately 11%. This decline is a direct result of the focus each school site has placed on ensuring students are in school and that issues surrounding poor student attendance are addressed with each family.

Each of these positive outcomes is a result of a variety of programs and efforts being implemented as part of the LCAP. Whether it is the focus of activities found under Goal 3 for improving CCR, or professional development and interventions programs found

under Goal 1, or engagement activities found under Goal 4, or Goal 5 for EL students, each goal and its accompanying actions contributes to the successes we are seeing in the data and to **ELEVATING** CUSD students to achieve more.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

Upon a review of the current LCFF Evaluation Rubrics Dashboard, we see that CUSD has specific opportunities for growth in the following areas:

Suspension Rate: Student groups ranked ORANGE - All students (0.8% increase), Homeless students (0.6% increase), SED (0.9% increase), Hispanic students (0.6% increase), Pacific Islander (1.2% increase) and White students (3% increase). Student groups ranked RED - Students with Disabilities (0.5% increase), African American students (1.9% increase), American Indian students (3.9% increase) and students identified as Two or More Races (3% increase).

- To address this area CUSD has continued implementation of its PBIS strategies, its restorative justice practices and its trauma sensitive training opportunities (i.e., Building resilient students, Capturing Kids Hearts, etc.). During the '17-'18 school year we began a reboot of the PBIS training through working with LACOE to establish cohorts of schools to participate in the PBIS training as a group and to more deliberately and specifically implement the tenants of the program at each of the sites involved. The LCAP addresses continuing the cohort reboot structure during the next two years.
- A review of the data and school practices yielded that implementation of restorative practices and PBIS was occurring at the same rate as in previous years, however, the data show an increase in suspensions. To address the accuracy of the data, periodic reviews of site suspension data occurred throughout the school year. Principals must verify the accuracy and completeness of all discipline information entered into the SIS three times annually. Training on consistent data entry practices was held to ensure accuracy in information recorded.

ELA Grades 3-8: Student groups ranked ORANGE - All students (1.4% increase), English Learners students (1.8% increase), SED (2% increase), African American students (2.9% decrease), Hispanic students (2.6% increase). Student groups ranked RED - Foster Youth students (4.2% decrease), Homeless students (8.8% decrease), Students with Disabilities (1.8% increase), White students (15.1% decrease). Student groups marked YELLOW - Pacific Islander (11.8% increase).

- In '17-'18 CUSD implemented a district-wide ELA adoption to address the alignment of instructional materials with the California Content Standards and the integrated ELA/ELD framework. Prior to this implementation, system-wide consistency of materials to address ELA and ELD were not available. Individual school sites determined the appropriate standards-based materials used. The implementation of new curriculum system-wide will support increased student achievement through a rigorous consistent approach to ELA/ELD instruction.
- '17-'18 saw the implementation of the 90-minute ELD block at the K-8 schools. This blended learning model allowed students to receive focused small group instruction in ELD from their regular classroom teacher AND provided additional intervention support time on a daily basis through our adopted on-line programs (Imagine Learning, IReady, etc.). Focused efforts on these program and effective small group instruction will yield increased time working with students on their individual needs to close the achievement gap.
- K-2 began a systematic emphasis on phonics instruction to support reading efforts in grades 3 and above during the '17-'18 school year. This will continue during future LCAP years and include additional work with vocabulary development and reading comprehension.

- K-12 will begin a writing initiative in '18-'19 to address the reading writing connection and the need to explain thinking in all areas of the current curriculum. Writing will become the means of assessing student learning in all subject areas in the future.

CUSD was identified for differentiated assistance in the area of Special Education during 2017-2018 and underwent a LACOE review of its programs and services to address its greatest needs. In collaboration with LACOE, CUSD was encouraged to continue consistent implementation of the Performance Indicator Review (PIR) plan across all schools to meet the goals for students with disabilities, to continue the implementation and development of a system-wide systematic approach to instruction and professional development that is standards-based and supported by research, and to emphasize/regularly monitor the College and Career Readiness indicators.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

The performance gaps for the student groups in the area of Suspensions and ELA Grades 3-8 were addressed in the description for Greatest Need (see above). While Graduation Rate is GREEN and Math Grades 3-8 is YELLOW, some student groups are showing RED/ORANGE levels of performance. The following information outlines CUSD's process for addressing these areas:

Graduation Rate: Student groups ranked RED - Foster Youth (14.5% increase; 21 students in category), Students with Disabilities (12% increase; 144 students in category).

- Increasing graduation rates has been a major focus for CUSD for the last three years. Despite two groups showing a ranking of red on the Dashboard, we see that these two student groups have had high level increases to their graduation rates. Although their ranking is low, they are showing growth. This is due to the actions and services provided in Goal 3 within our current LCAP. We will continue with these actions and focus on increasing these student groups.

Math Grades 3-8: Student groups ranked ORANGE - Students with Disabilities (8.9% increase), African American students (1.6% increase), White students (12.2% decrease). Student groups ranked RED - Homeless students (4.6% decrease). Student groups marked YELLOW - All students (7.1% increase), English Learner students (8.3% increase), SED (7.6% increase), Hispanic (8.4% increase), Pacific Islander (15.7% increase).

- Mathematics has been an area of focus instructionally for the last three years in CUSD. As a result we see that the overall ranking of the district in grades 3-8 is YELLOW and several large students groups are also YELLOW (EL, SEC, Hispanic, & PI). The student groups of SWD and African American, while ranked RED, also show increases in student performance for the year. The White students and the Homeless students show decreases in performance. The professional development efforts, curriculum development efforts, partnerships with UCI and CSUDH, Project RISE, use of IReady intervention program, etc. (actions under Goal 1) will continue as progress is being demonstrated. Emphasis will be placed on refining the training on specific mathematical strands and monitoring progress through use of district-wide assessments (IABs and IReady diagnostic). In addition, special attention will be place on individual student fact fluency to allow for greater attention to critical thinking during the problem solving process.

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

Increased or Improved Services

The LEA will continue to provide increased or improved services for low-income students, English learners, and foster youth students by implementing the variety of actions aligned to each LCAP goal. The following is a summary of some of those services:

1. Providing high quality professional development to teachers providing services to the identified student groups (i.e., supporting at-risk students, supporting ELD and SEL students, understanding needs of foster youth, effective mathematics instruction, effective reading/writing instruction, Capturing Kids Hearts, Understanding and Dealing with Trauma in the Classroom, etc.).
2. Providing quality supplemental programs during the school day, before and after-school and during the summer (i.e., Project REACH and Project RISE, UCI coaching and college tutors, credit recovery programs, concurrent enrollment at Compton College, etc.).
3. Provide extended learning and variety of computer-based programs to provide support for academic success in ELA and Math (i.e., IReady, Imagine Learning, System 44, etc.).

Budget Summary

Complete the table below. LEAs may include additional information or more detail, including graphics.

DESCRIPTION	AMOUNT
Total General Fund Budget Expenditures for LCAP Year	\$287,947,667
Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for LCAP Year	\$330,234,980

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

The General Fund Budgeted expenditures for CUSD are included and appropriately noted throughout the LCAP document. Many of the expenditures are noted with Goal 2 Actions and Services.

Total Projected LCFF Revenues for LCAP Year	\$241,355,475
---	---------------

Annual Update

LCAP Year Reviewed: 2017-18

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 1

Goal 1:

All students will meet or exceed state academic standards that will prepare them to compete in the global society.

State and/or Local Priorities Addressed by this goal:

State Priorities: 2. Implementation of State Standards; 4. Pupil achievement; 5. Pupil engagement; 7. Course access; 8. Other pupil outcomes
Local Priorities:

Annual Measurable Outcomes

Expected	Actual
<p>CAASPP ELA Data Grades 3-8 & 11 2017-18 Medium status of 5 points below Level 3 to 10 points above Level 3 Increased change of 7 to less than 20 points over the previous year.</p>	<p>The 2016-2017 final CAASPP data shows CUSD's overall ELA data is at Level Orange (Low 44.9 points below Level 3) and shows Maintained in change over 2015-2016 scores at (1.4 points increase) overall.</p>
<p>CAASPP Mathematics Data Grades 3-8 & 11 2017-18 Medium status of 5 points below Level 3 to 25 points below Level 3 Increased change of 5 to less than 15 points or more over the previous year.</p>	<p>The 2016-2017 final CAASPP data shows CUSD's overall Math data is at Level Yellow (Low 66.4 points below Level 3) and shows Increased in change over 2015-2016 scores at (7.1 points increase) overall.</p>
<p>California Science Test (CAST) 2017-18 Increase 5% over baseline proficiency rate on CAST.</p>	<p>The 2017-2018 CAST test does not allow us to establish growth at this time.</p>
<p>Grade of D or F Rate 2017-18 Decrease Grade of D or F rate overall to 20% for district and high school. Maintain between 10% & 15% maximum at middle school level.</p>	<p>The trimester data for middle schools shows the D or F rate to be at approximately 24% for Trimester I & II of 2017-2018. The data for the high schools is at 23.9% for the first semester 2017-2018. The District rate is approximately 23.9% for the first portion of the 2017-2018 school year.</p>

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
For Actions/Services included as	For Actions/Services included as	Action 1.2 funds support -	Action 1.2 funds support -

<p>contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners, Foster Youth, Low Income</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>1.1 Assessment: Provide a district-wide system of student academic assessment and monitoring to ensure improved student achievement in academic content areas (e.g., data warehouse tool, district benchmarks, etc.)</p>	<p>contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners, Foster Youth, Low Income</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>EADMS Learning Management System for district assessment creation and learning monitoring used for district data system. District benchmarks administered using teh IABs, the IReady diagnostics, and various publisher created assessments. Certify Data Validation Tool used to support CALPADS monitoring.</p>	<p>5000-5999 Services and Other Operating Expenses - LCFF: \$125,000 (repeated expenditure)</p>	<p>5000-5999 Services and Other Operating Expenses - LCFF: \$122,500 (repeated expenditure)</p>
--	---	---	---

Action 2

1.8 Educational Technology: Provide materials and resources needed to implement 21st Century Learning activities within classrooms for unduplicated students to have improved access aligned to preparing them for higher education and future careers..

The Educational Technology Department provides logistical support via the resources which designed to enhance 21st Century Learning. The department developed resources that are included in the implementation of the "90-Minute Block" blended learning block and supported the implementation of the blended learning model through on-site staff development and follow-up at each of our sites TK-12. Additionally, EdTech provide an array of infographics, documentation, and tutorials to facilitate the implementation of our 21st Century Learning initiatives. The Edtech website provides online tutorials, videos and documents to support the implementation of 21st Century pedagogy, tools and skills.

School programs to support student academic achievement.

program was offered at all comprehensive high schools through Edgenuity online program. Partnership with Compton College allowed students at the three high schools to have credit recovery opportunities as well as the ability to enhance credit acceleration courses. K-8 schools also provided after school support to struggling students with tutorial services from classroom teachers. In addition, Saturday school was offered at all sites to improve attendance and provide additional academic support through the use of Achieve 3000, i-Ready, and other online programs. Robotics and STEAM focused enrichment programs were implemented at different school sites during the school year as part of our summer programs TK-12.

The Educational Technology department offered various Math and 21st Century Learning courses with consultant and author Matt Vaudrey on these topics. These courses, in conjunction with our summer bootcamps that reached over 250 teachers, provided skills and support for students to attain higher achievements. ELA/ELD professional development focused on improving achievement in the four domains: Reading, Writing, Speaking and Listening. The Ed Services focused on the district wide implementation of the 90 Minute block for designated ELD/RTI/ MTSS in a data driven blended learning + pbl model. Every K-5 teacher received this professional development. The Edtech department also provided support through the K-12 21st Century Learning Summer Bootcamps, the Model Classroom Cohort, collaborative coaching and after school training with Tech Tools to support literacy. Also, all high school Social Science, World Language and Science teachers received blended learning professional development to support literacy, 21st century skills, pedagogy, and personalized learning in the secondary classroom.</p>	<p>Salaries - LCFF: \$1,945,726 (repeated expenditure) Action 1.2 funds support - 3000-3999 Employee Benefits - LCFF: \$357,632 (repeated expenditure) Action 1.2 funds support - 4000-4999 Books and Supplies - LCFF: \$234,526 (repeated expenditure) Action 3.2 funds support - 1000-1999 Certificated Salaries - LCFF: \$403,227 (repeated expenditure) Action 3.2 funds support - 2000-2999 Classified Salaries - LCFF: \$111,593 (repeated expenditure) Action 3.2 funds support - 3000-3999 Employee Benefits - LCFF: \$115,898 (repeated expenditure) Action 3.2 funds support - 4000-4999 Books and Supplies - LCFF: \$312,620 (repeated expenditure) Action 3.2 funds support - 5000-5999 Services and Other Operating Expenses - LCFF: \$350,000 (repeated expenditure) Action 1.26 funds support - 1000-1999 Certificated Salaries - LCFF: \$3,372,642 (repeated expenditure) Action 1.26 funds support - 3000-3999 Employee Benefits - LCFF: \$1,096,825 (repeated expenditure) Action 1.26 funds support - 4000-4999 Books and Supplies - LCFF: \$3,189,805 (repeated expenditure) 1000-1999 Certificated Salaries - Federal Revenues - Title I: \$1,156,765</p>	<p>(repeated expenditure) 3000-3999 Employee Benefits - LCFF: \$350,479 (repeated expenditure) 4000-4999 Books and Supplies - LCFF: \$229,835 (repeated expenditure) 1000-1999 Certificated Salaries - LCFF: \$395,162 (repeated expenditure) 2000-2999 Classified Salaries - LCFF: \$109,361 (repeated expenditure) 3000-3999 Employee Benefits - LCFF: \$113,580 (repeated expenditure) 4000-4999 Books and Supplies - LCFF: \$306,368 (repeated expenditure) 5000-5999 Services and Other Operating Expenses - LCFF: \$343,000 (repeated expenditure) 1000-1999 Certificated Salaries - LCFF: \$3,305,189 (repeated expenditure) 3000-3999 Employee Benefits - LCFF: \$1,074,889 (repeated expenditure) 4000-4999 Books and Supplies - LCFF: \$3,126,009 (repeated expenditure) 1000-1999 Certificated Salaries - LCFF: \$1,133,630</p>

new teachers (TIPS) and struggling teachers (PAR).

Special Education departments participated in 8 different professional development facilitated/coordinated by TIPS to support the candidates in the completion of their Individualized Learning Plan (ILP) and designed to build teachers capacity. The 49 candidates were also given 2 full days of release time (once per semester), substitute teachers provided, to observe/shadow expert teachers in the subject area or the CSTP standard they identified in their ILPs. The 23 mentors in K-12 General Education and Special Education Departments also attended and participated in 11 different PDs designed to build mentors capacity. The 23 mentors were also provided 3 full days of release time during the year, substitute teachers provided, to observe their assigned candidates in their candidates classrooms. The mentors debrief with the candidates after every observation. Each mentor meets with his/her candidate(s) at least 1 hour weekly and submits the monthly collaborative log signed by the candidates site administrator. Each mentor is paid the extra duty hourly pay rate for the compensation for all required meetings during the year.

School sites were required to align resources to the goals and actions adopted in the district LCAP plan. Each schools Single Plan for Student Achievement was aligned to district LCAP goals and expectations. Progress towards these goals were discussed during individual site data presentations to cabinet.</p>	<p>1000-1999 Certificated Salaries - LCFF: \$3,372,642 2000-2999 Classified Salaries - LCFF: \$702,998 3000-3999 Employee Benefits - LCFF: \$705,894 4000-4999 Books and Supplies - LCFF: \$3,189,805 5000-5999 Services and Other Operating Expenses - LCFF: \$4,308,453 1000-1999 Certificated Salaries - Federal Revenues - Title I: \$2,533,237 2000-2999 Classified Salaries - Federal Revenues - Title I: \$1,061,523 3000-3999 Employee Benefits - Federal Revenues - Title I: \$944,137 4000-4999 Books and Supplies - Federal Revenues - Title I: \$797,110 5000-5999 Services and Other Operating Expenses - Federal Revenues - Title I: \$777,482</p>	<p>1000-1999 Certificated Salaries - LCFF: \$3,305,189 2000-2999 Classified Salaries - LCFF: \$688,938 3000-3999 Employee Benefits - LCFF: \$691,776 4000-4999 Books and Supplies - LCFF: \$3,126,009 5000-5999 Services and Other Operating Expenses - LCFF: \$4,222,283 1000-1999 Certificated Salaries - Federal Revenues - Title I: \$2,482,572 2000-2999 Classified Salaries - Federal Revenues - Title I: \$1,040,293 3000-3999 Employee Benefits - Federal Revenues - Title I: \$925,254 4000-4999 Books and Supplies - Federal Revenues - Title I: \$781,168 5000-5999 Services and Other Operating Expenses - Federal Revenues - Title I: \$761,932</p>

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The actions and services related to Goal 1 are designed to outline the professional development, general enrichment courses, intervention, and support tools needed to meet the current California Content Standards, but more importantly to be prepared for a the demands of a global society. During the '17-'18 school year, CUSD worked to provide a wide array of professional development opportunities for all district staff, not only targeting academics, but also the socio-emotional wellbeing of our students. Ongoing training was provided around the CCSS in both math and reading, as well as the new reading curriculum programs for elementary (Reading Wonders) and secondary schools (Collections and My Perspectives). In our elementary schools we drew special attention to our K-2 grades and the need to provide training to teachers on foundational literacy skills. At the secondary level, our math scores indicated the need to pay special attention to this area; therefore, training and coaching were provided to Math teachers by the University of California Irvine (UCI) and California State University Dominguez Hills (CSUDH). Other training opportunities offered this year included AVID, GATE strategies, an Introduction to the New Generation Science Standards (LACOE), as well as the History Social Science Standards (CDE).

In addition to professional development, we continued working towards building systematic, and data-driven interventions. At the Elementary level, we provided Project REACH Tutors for tier III students in grades K-2, and we also expanded the program to include students in grades 3-5 who have significant gaps in literacy. At the secondary level we implemented the CSUDH Toros Academy providing both ELA & Math tutoring. Elementary and middle school tier III students also received math intervention through our Project RISE tutors, while High Schools received math intervention during/after school, and on Saturdays through California State University Dominguez Hills (CSUDH) Tutors. Our systematic approach to interventions also included the implementation small group interventions through a blended learning approach (90-Minute Block), Summer STEAM Program, Summer Bridge for at-risk rising freshmen, and online programs such as i-Ready, Achieve 3000, Smarty Ants, Waterford, Rosetta Stone for newcomers, and Discovery Education.

In addition to interventions, we have implemented a variety of enrichment opportunities for our students. These include enrichment teachers for K-8 schools (music, photography, art), visual arts through Meet the Masters in all of our elementary schools, advanced placement tutorials for our high school students through the UCLA Center X, Free SAT and ACT Preparation classes, and CTE pathways (e.g. computer science, and auto). In addition we have provided actions/services related to enrichment and movement into 21st Century skills, including a robust instructional technology program K-12, Project Lead the Way, coding, and robotics.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

When examining the various metrics associated with Goal 1 and the other academic goals connected to Goal 1, CUSD is making progress and is focused on the areas of most need from the data literacy and math. Continuing with these actions and services for the next two years is critical as true change occurs with consistent implementation over 3-5 years. By maintaining the goals and services between '18-'19 and '19-'20 CUSD is on track to have greater impact on student achievement through consistency verses changing the actions in a reactionary manner. The current progress shows that we should keep moving in this direction.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

There are no material differences between budgeted expenditures and estimated actual.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

There are no changes anticipated to this goal, expected outcomes, metrics, or actions/services for Goal 1 at this time.

Goal 2:

Goal 2

All staff and community partners will collaborate to ensure all necessary materials, equipment and supports are provided to students within a safe and well-maintained learning environment.

State and/or Local Priorities Addressed by this goal:

State Priorities: 1. Basic; 2. Implementation of State Standards; 4. Pupil achievement; 5. Pupil engagement; 6. School climate
Local Priorities:

Annual Measurable Outcomes

Expected		Actual
Basic Textbook Compliance	2017-18 Maintain William's Compliant Authorization from LACOE - 100%	CUSD is 100% William's Compliant for textbooks during the 2017-2018 school year.
Basic Facilities Compliance	2017-18 Maintain the William's Compliance rating of 90% or higher for each school. Decrease William's Facilities complaints to less than 20.	
Basic Teacher Assignments	2017-18 Fully credentialed teachers = 98% Appropriately assigned teachers = 73.7%	Fully credentialed teachers for 2017-2018 = 97% Appropriately assigned teachers for 2017-2018 = 98%
Suspension rates	2017-18 Maintain or Decrease suspension rate by 0.5% or more over baseline data.	As of May, 2018 the district instances of suspension are at approximately 562 (446 unduplicated). This is a reduction of 2/3rds of the instances in 2016-2017.
Expulsion rate	2017-18 Maintain low rate of expulsions at less than 1% overall.	As of May, 2018 the current number of expulsions is 0 for the 2017-2018 school year.
Local School Connectedness/Climate Survey	2017-18 Increase the percentage of agree/strongly agree by 5% in each area over the baseline data.	Percentages of agreement for parent surveys 2015-2016 District School Connectedness Survey results: 80.66% (+29.6%) agree/strongly agree & 11.9% (-7%) are undecided "that school is a safe place where bullying/disrespect are addressed"; 90.1% (+14.1%) agree/strongly agree with adults work hard to ensure a safe/supportive environment; 87.51% (+12.21%) agree/strongly agree that rules/consequences are clearly communicated.
Implementation of Academic Standards	2017-18 Move ratings for each question on the Academic Standards & Frameworks Reflection Tool to a majority score (90%) of a 4 or 5 in each area for each question.	The following data show the ratings of 4 or 5 for each question: Q1 - 77% for ELA; 61% for ELD; 70% for Math; 14% for NGSS (28% for Initial implementation); 26% for History/SS. Q2 - 84% for ELA; 75% for ELD; 72% for Math; 19% for NGSS (16% for Initial Implementation); 28% for History/SS

Q3- 68% for ELA; 65% for ELD; 61% for Math; 19% for NGSS (16% for Initial Implementation); 19% for History/SS

Q4- 42% for CTE; 33% for Health; 44% for PE; 44% for VAPA; 47% for World Language

Q5- 65% for ID of PD needs whole group; 65% for ID of PD needs for individual; 61% for support individual on standards not met

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

<p>Location: All Schools</p> <p>2.2 Facilities & Maintenance: Provide facilities that are well maintained, appropriately cleaned, and meet 21st Century expectations (e.g., computer technology infrastructure, green utilities management, State & Federally compliant, etc.).</p>	<p>Location: All Schools</p> <p>CUSD coordinated all facilities and maintenance activities to ensure that sites were well maintained and able to meet the demands of the school year. Many facilities projects (i.e., new fields, new security fences, etc.) were completed this year and preparation was made for the building of the new Compton High School campus. For the future, staff development (training) will be the key aspects to ensure that our team provides well maintained facilities. Which means holding trainings for Maintenance and school site custodial staff on the important aspects of the Facilities Inspection Tool (FIT) requirements. Assessing and provide all tools and equipment needed to ensure complete and quality work. Working with Facilities, Maintenance and the school site to bridge the communication gap . This means regular meeting with facilities and maintenance along with all stakeholder(school site, unions and others) on public works projects so they may provide suggestions and input. This practice and overall objective will provide a transparent approach to ensure that our team meet the needs of the educational programs, with the proper 21st century exceptions and LCAP goal (s).</p>	<p>Other Operating Expenses - LCFF: \$80,000 2000-2999 Classified Salaries - LCFF: \$2,046,048 3000-3999 Employee Benefits - LCFF: \$776,009 4000-4999 Books and Supplies - LCFF: \$54,987</p>	<p>Other Operating Expenses - LCFF: \$78,400 2000-2999 Classified Salaries - LCFF: \$2,005,127 3000-3999 Employee Benefits - LCFF: \$760,489 4000-4999 Books and Supplies - LCFF: \$53,887</p>

2.10 Technology: Provide technology infrastructure, staff, and services, district-wide, to support 21st Century Learning activities and equipment to allow students access to rigorous curriculum, resources, and experiences to build schema, language abilities and close the achievement gap.

The District ITD team and Edtech Departments work cohesively together to provide seamless access to technology and access to resources to provide a quality 21st Century education . The district has recently updated its data center to provide a faster and more reliable network in a virtual server environment. The ITD department has deployed a new Helpdesk ticketing service that ensures that services are faster and in a more streamlined manner while maximizing staff support. District Tech Lead meetings provide opportunities to connect site and district staff to improve technology support and individual site needs. The Edtech department also keeps an updated Site Device map to inform device purchasing and site training needs. The district has implemented a newly revised website, a new phone system, a new virtual environment, and a new back-up server system during the last year.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The actions and services associated with Goal 2 are related to some of the major functions of a school district, i.e., core instructional needs, staff (credentialed & certificated), special education, facilities, food services, transportation, technology infrastructure, etc. Many of these services and actions are supported by based funds while they are enriched using supplemental concentration funds to support additional services for our unduplicated students.

This school year we did the ELA textbook adoption (K-12), and we were 100% Williams textbook compliant. Facilities show in good repair, and fields and athletic facilities upgrades are completed. School safety remains a priority. While in all school districts they provide security staff to support safe school environments, in CUSD we support both campus security and school police forces across each of our campuses to ensure that our students are safe within their school day. Special Education continues to revise and improve services (e.g. adopting a new curriculum). While we currently provide technology hardware and infrastructure to operate the schools and support the instructional program, we are continuing to upgrade our system to support the vision of a 1:1 environment for students. This includes the purchase of additional devices to allow student access to the Internet as well as other instructional programs. In addition, our district has new website, new phone system, a new virtual environment, new back-up server system, etc. As far as staffing, this year we had fewer vacancies for classrooms, and we have more substitutes available, which also helped us implement our robust professional development plan.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The core program and any enrichment/extension supports, at this time, are showing to be effective and meet the general needs of students.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

There are no material changes between the budgeted amounts and the estimated actual.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

There are no changes anticipated to this goal, expected outcomes, metrics, or actions/services for Goal 2 at this time.

Goal 3

Goal 3:

Students will have full access to a variety of courses and enroll in a scope of study that will prepare them to be college and career ready.

State and/or Local Priorities Addressed by this goal:

State Priorities: 1. Basic; 2. Implementation of State Standards; 4. Pupil achievement; 5. Pupil engagement; 6. School climate; 7. Course access; 8. Other pupil outcomes
Local Priorities:

Annual Measurable Outcomes

	Expected	Actual
Graduation Rate	<p>2017-18 Increase four year cohort calculation to 83.5%.</p> <p>Using new LCFF Evaluation Rubric indicators achieve a status of 85% to 90% with an increase of 5% or greater.</p>	<p>The four year cohort graduation rate for 2016-2017 is 79%. The measurement for the new California Dashboard/LCFF Evaluation Rubric Indicator percentage is estimated at 88% for the 2016-2017 school year</p>
A-G Course Completion	<p>2017-18 Increase by 3–5% the A-G completion rate over the baseline year. Meet the medium level requirements of the LCFF Evaluation Rubric to be yellow or green.</p>	<p>The LCFF Evaluation Rubric data is not available at this time. The 2016-2017 A-G completion rate is 32% which is a 6% increase over the baseline year of 26%.</p>
A-G Completion for African American students	<p>2017-18 Increase by 5% the A-G completion rate of African American students over the baseline year. Meet the medium level requirements of the LCFF Evaluation Rubric to be yellow or green.</p>	<p>The LCFF Evaluation Rubric data is not available at this time. The 2016-2017 A-G completion rate for African American students is 25% which is a 9% increase over the baseline year of 16%.</p>
Advance Placement Exam Pass Rates of 3 or Higher	<p>2017-18 Increase the percentage of students passing AP exams with a 3 or higher</p>	<p>The 2016-2017 AP tests administered was 1,537 and 229 passed with a score of 3 or higher. This is an increase of 405 tests administered and an</p>

	to 25%. Increase the number of test administered to 1,700.	increase of 26 tests passed with a score of 3 or higher.
EAP Assessment	2017-18 Increase the percentage of met/exceeded to 35% in ELA and to 25% in math.	The 2016-2017 met/exceed percentage for 11th grade ELA is 19.94% with an increase of 4.94%. The 2016-2017 percentage of 11th grade Math is 4.28% with an increase of 1.28%.
Completion of CTE Pathways	2017-18 Maintain the completion rate at 95% or higher as noted by the CDE Core Indicator Report.	The 2016-2017 unduplicated percentage of CTE completion is 92.41%.
Course Access	2017-18 Increase by 3% the number of middle school students taking world language Level I over the baseline year. Increase by 3%, over the baseline year, the amount of students completing the world language requirements prior to 9th grade (i.e., Level II).	2016-17: 9% of MS students were enrolled in Spanish 1. 2017-18: 9% of MS students were enrolled in Spanish 1 AND 10% of MS students were enrolled in Spanish 2. The total number of students in MS taking World Language is 19% which is a 5% increase over the baseline year. In addition, 10% of students are enrolled in Spanish 2 which is a 9% increase over the baseline year.

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

3.4 Curriculum & Instruction: Provide site specific academies that allow students to experience a variety of career related courses (e.g., Visual & Performing Arts academies, STEM academies, etc.). This includes vertical articulation K-12.

The district has implemented or is in the process of implementing academies at various sites to create career pathways for students to research before reaching college. The elementary schools use Project Lead the way in either Biological Science, 9 Dots computer programming, or Engineering. At the middle school level, they continue in Medical Detectives (Forensics), Swift Playgrounds/Code.org, or Engineering with respect to Robotics, Design, or Aviation. Finishing in high school, the students have access to specific courses in anatomy and biology, computer science, or engineering. Each of these pathways has sub-strata that create a specific vertical integration from Kindergarten through 12th grade. Additionally, Centennial High has received funding for a Visual and Performing Arts academy, Whaley MS, McKinley and King ES have the Turnaround Arts grant to provide balanced art instruction to students, and all K-8 school sites participated in the Meet the Masters program for visual arts enrichment. Lastly, every school has specific extracurricular activities that address these areas, such as Marching Band, Girls who Code or FIRST Lego League as a few examples.

Action 5

<p>For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: All</p> <p>Location: All Schools</p> <p>3.11 Provide district-wide day to recognize College and Career opportunities (i.e., Career Day, Principal for the Day, etc.).</p>	<p>For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: All</p> <p>Location: All Schools</p> <p>CUSD hosted a college fair that included several 4 year and 2 year colleges, while also providing workshops for parents. STEAM will engage and promote STEAM careers across the district. College signing day events take place at every high school.</p>		

Compton Promise assemblies were offered to students at all High Schools to promote free college for all students. Through articulation events High Schools and Middle Schools expose student to the various programs and clubs offered at the high schools. Many schools sites held individual college awareness days and/or did college culture events (i.e., college shirt days, pen pals with colleges, etc.).

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Goal 3 of the LCAP is centered on students College & Career Readiness. Subsequently, the actions and services were derived in an attempt to positively affect College & Career readiness. An emphasis was placed on providing rigorous course pathways and programs that prepare students to become both college and career ready (e.g., Meeting A-G requirements, providing AP, IB, CTE, ERWC courses, etc.). Also, a concerted effort was made to provide innovative programs that promote students to attend college during their secondary program (e.g., Early College High School, concurrent enrollment, etc.). Enriched college and career related pathways were offered for students to compete in a global economy (e.g., AP/IB schools, PLTW pathways, Computer Science courses, Coding/Robotics experiences, etc.). Some of the new career pathways added this past year provide students a greater variety of CTE programs from which to choose. These included Biotechnology, Education, Engineering Design, Architectural Design, and Software and Systems Development. These pathways allow our students to access skill in job related areas that will ultimately lead to industry recognized certification.

Enriching students are providing rigorous curriculum are part of Goal 3, but providing student with appropriate support programs is also part of this goal. Students were provided with a variety of support programs and services (i.e., AVID, Summer Bridge programs, Upward Bound, etc.) and experiences (i.e., college field trips, mentor activities, etc.) to assist them in becoming college and career ready. In addition, additional counseling staff for more individual student access to academic counseling to better support and prepare students to become college and career ready was provided. Finally, in an effort to increase a college & career going culture the district hosted events to recognize College and Career opportunities (i.e., College Fairs, Career Day, Principal for the Day, etc.).

Each of these programs, activities, actions and services worked together to ensure CUSD students had access to CCR for their future success.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The overall effectiveness of the actions and services selected for Goal #3 have proven effective, as evidenced by the improvement in the various metrics used to measure Goal 3. Specifically, the expected overall HS graduation rate is estimated to increase district wide along with all high schools (this data is expected to be released summer, 2018). Similarly, the A-G completion rate has increased 5% district wide, Centennial increased by 15%, Dominguez 9%, Compton 3%. In addition, the amount of students taking AP courses along with total AP exams taken have increased by 250 and 450 respectively. Finally, a 7% increase was seen from this year with students earning a 3 or better on the AP exams. These data show that CUSD is **ELEVATING** student access and success in College and Career preparation. In addition our CTE program has added new pathways to support student success. These additions include a Biotechnology pathway that has led to a partnership with Charles Drew University and our students at Dominguez High School. Students from DHS will participate in a summer program at the college.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

There are no material differences between the budgeted expenditures and the estimated actual.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

The College and Career indicators continue to support and drive the actions and services within Goal #3. As this metric becomes posted, changes may need to be made, but at this time CUSD is continuing with its focus and with the success it has attained in this area.

Goal 4

Goal 4:

All staff will promote student engagement by building positive environments, inclusive of parent and community participation.

State and/or Local Priorities Addressed by this goal:

State Priorities: 3. Parent involvement; 4. Pupil achievement; 5. Pupil engagement; 6. School climate
Local Priorities:

Annual Measurable Outcomes

	Expected	Actual
Overall Attendance Rate	2017-18 Increase overall attendance rate to 96.%.	The current to-date attendance rate is 95.79% for '17-'18.
Chronic Absenteeism	2017-18 Decrease chronic absenteeism rate by 2% over baseline year.	As of May, 2018 the currently enrolled student chronic absenteeism rate shows 10.3%. The continuous enrollment rate for 2016-2017 reported to CALPADS was 17.7%.
High School Graduation Rate	2017-18 Increase four year cohort calculation to 83.5%. Using new LCFF Evaluation Rubric indicators achieve a status of 85% to 90% with an increase of 5% or greater.	The four year cohort graduation rate for 2016-2017 is 79%. The measurement for the new California Dashboard/LCFF Evaluation Rubric Indicator percentage is estimated at 88% for the 2016-2017 school year
High School Drop-out Rate	2017-18 Decrease the high school drop-out rate by 3% over the baseline year.	The 2016-2017 estimated high school drop-out rate is 9%. The baseline year of 2015-2016 was 14.9%.

Middle School Drop-out Rate	2017-18 Maintain middle school drop-out rate of less than 1%.	The estimated 2016-2017 middle school drop-out rate is 1%.
Parent Engagement - Programs	2017-18 Increase number of completed parent surveys to 2,500. Increase number of parents attending district-wide parent events to 450.	During 2017-2018 there were 1,711 parent responses to the connectedness survey and 577 parents attended district-wide parent events.
Parent Engagement - Decision Making	2017-18 Maintain 80% or higher rating on district climate/connectedness parent survey for question #13 - "school promotes parent participation in decision making that affects school practices/policies"	The 2017-2018 survey shows agree/strongly agree for question 13 at 87.31%.

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners, Foster Youth, Low Income</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>4.1 Attendance Monitoring: Provide additional support through a systematic process for monitoring attendance that follows all State and Federal guidelines (e.g., SART/SARB, truancy monitoring, etc.) to ensure that students in specific populations (i.e., EL, Foster Youth, and Low Income) are</p>	<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners, Foster Youth, Low Income</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>Elementary schools conducted ACT (Abolish Chronic Truancy) Program meetings after establishing MOUs with the LA County DA Office. <p>For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: All</p> <p>Location:</p> <p>4.12 Provide district-wide and site specific recognition opportunities (i.e., attendance awards, academic awards, etc.) for students, parents, and staff.</p>	<p>For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: All</p> <p>Location:</p> <p>Compton Unified School District provided district-wide recognition opportunities for students as well as parents this school year. Some of these were provided during district board meeting to honor the students and their parents. Parents were also recognized at the district Volunteers In Public School Evaluation program held at the Dollarhide community center. In addition to district sponsored recognitions, each site provided numerous recognition awards to students and parents.</p>	<p>: \$0</p>	<p>: \$0</p>

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Actions and services associated with Goal #4 were implemented with fidelity. The following highlights the categories associated with actions/services for Goal #4:

Parent Engagement: Parents were engaged through a variety of parent workshops offered throughout the year at the sites and the district level. Sites held ELA, Math, and CCR nights to support students and families in increasing academic achievement and better understand College and Career Readiness. Four district-wide Digital Parent Night events were held this year to support both 21st Century learning skills and technology usage at our schools. These nights were part of the technology strand that is one of the five strands in our new Parent Leadership Academy. This academy supports both district and site level trainings for parents across five strands of parental engagement. Upon completion of the various courses associated with each strand, parents will receive a diploma and become ambassadors to support other parents in understanding and navigating the educational system. Finally, monthly meetings and trainings were provided to parents and the general membership of the District Advisory Council, District English Learner Advisory Committee, African American Parent Advisory Committee, School Site Councils, and English Learner Advisory Committees as articulated in the LCAP.

Stakeholder Recognition: Recognizing achievements is important in CUSD. Regular monthly awards were given to students for having improved attendance and for Student of the Month. The recognitions were made/presented to students and families at the different board meetings held throughout the year. In addition, students received regular trimester/quarterly awards for academic and behavioral achievements at each of the school site during their assemblies. Students were recognized district-wide for accomplishments such as reclassification, Newcomer program, and Seal of Biliteracy. Recognition of accomplishments in areas other than district events also occurred - Basketball champion ship, Longfellow Pentathlon Winners, etc. Volunteers, parents and community, were recognized for their support of schools at our annual VIPS dinner. Teacher of the Year and Classified Employee of the Year were celebrated at Board meetings and in group events. Finally STEAM instruction was celebrated through our annual STEAMFEST event where every site participates in showcasing their science, technology, engineering, arts, and mathematics activities by creating a booth with activities and model artifacts of student learning.

School Attendance: School attendance is critical to the success of students. One cannot learn if one is not present at school. To support improvement in the area of attendance, regular monitoring of school level attendance occurred. Schools were notified weekly of their current attendance rate and of their chronic attendance rate. Each site worked to develop strategies to address attendance through incentives, parent contact, and other activities to both maintain high levels of attendance and improve those that need to improve. The school attendance review team meetings were conducted at several school sites and district attendance review team meetings also took place at the Pupil Services Department.

Wellness Initiative: Wellness and supporting student mental/physical needs continues to be critical to the success of CUSD. The actions and services associated with this area continued and provide students with many opportunities to receive mental health related services, to participate in positive mind-set activities (ex: yoga), and to improve the quality of our PBIS implementation. In addition, the work done around Capturing Kids Hearts and Trauma Informed Practices allowed both staff and students to better understand the importance of developing relationships and the importance of understanding the impact that traumatic experiences play on the learning process of students.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The climate and culture of the schools within CUSD is improving. With respect to parent engagement, more parents (577) attended district-wide parent events this year as compare to 450 parents in the 2016-2017 school year. In addition, the district exceeded the 80% rating on the district climate/connectedness parent survey question #13 school promotes parent participation in decision making that affects school practices/policies. The rating on this question is for the 2017-2018 school year 85.5%. Parents, students, and staff feel supported by the District and are showing that through positive connectedness survey results.

There are no changes anticipated to this goal, expected outcomes, metrics, or actions/services for Goal 4 at this time.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

There are no material differences between the budgeted expenditures and the estimated actual.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

There are no changes anticipated to this goal, expected outcomes, metrics, or actions/services for Goal 4 at this time.

Goal 5**Goal 5:**

English Learners will acquire the academic and linguistic skills needed to attain grade level proficiency and college/career readiness.

State and/or Local Priorities Addressed by this goal:

State Priorities: 1. Basic; 2. Implementation of State Standards; 3. Parent involvement; 4. Pupil achievement; 5. Pupil engagement; 7. Course access; 8. Other pupil outcomes
Local Priorities:

Annual Measurable Outcomes

	Expected	Actual
English Learner Progress	<p>2017-18 Increase over baseline data on English Learner progress for each category by 5%</p> <p>Move overall EL proficiency to Medium (67% to less than 75%) status and increased change (1.5% to less than 10% increase).</p>	<p>The 2017 data indicates that the English Learner Performance is at Medium (71.4%).</p>
Reclassification Rate	<p>2017-18 Increase the reclassification rate by 3 - 5% over the baseline year.</p> <p>Move overall EL proficiency to Medium (67% to less than 75%) status and increased change (1.5% to less than 10% increase).</p>	<p>The reclassification rate shows a 3.9% increase to 14.4% over the baseline year (10.5%). The estimated reclassification rate for spring 2018 is 16%.</p>
EL Graduation Rate	<p>2017-18 Increase 5% over baseline data for EL four year cohort graduation rate.</p>	<p>The current rate ('16-'17) is estimated to be 78% which is a 4% over the baseline year (74%).</p>
EL Student Grade of D or F Rate	<p>2017-18 Decrease EL Student Grade of D or F Rate to 25%.</p>	<p>The EL student grade D or F rate is approximately 30% combined. The grade of D is at 16.7% and the grade of F is at 14.75% for students in secondary sites.</p>

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: Specific Student Group(s): English Learners</p> <p>Location: All Schools</p> <p>5.1 Curriculum & Instruction: Provide rigorous ELD instruction daily for all EL students and provide appropriate placement of EL students in core classes and ELD classes at all levels.</p>	<p>For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: Specific Student Group(s): English Learners</p> <p>Location: All Schools</p> <p>The English Learner Department in collaboration with curriculum and instruction implemented the 90-minute block consistently in all K-8 schools. Daily ELD instruction comprises part of the 90-minute block which entails thirty minutes of teacher led ELD instruction and 30 minutes of extension ELD activities. Extension ELD activities include a connection to the core and/or Imagine Learning web-based literacy program. During this 90-minute block English learners are also provided with opportunities to receive interventions or participate in project-based learning activities. At the secondary level, ELD placement is monitored by reviewing English learner students course schedules. In addition, placement reports are sent at the beginning and end of each school year to ensure appropriate leveling of classes when developing the master schedule. The English Learner Master Plan is updated each year and stipulates guidelines for EL placement and ELD instruction. Every school is to keep records pertinent to ELD schedules, EL placement, and leveling of ELD classes. SDAIE sections were offered at all secondary sites in the core areas of English and Mathematics. At the high school level, additional ELD course offerings were provided which met A-G requirements. Journalism ELD, Academic Language</p>	<p>: \$0</p>	<p>: \$0</p>

Development, and Advanced ELD fulfill A-G requirements for students by means of a rigorous curriculum while providing explicit English Language Development. All teachers were provided with curriculum and pacing guides to facilitate ELD instruction.

Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners</p> <p>Scope of Service: Limited to Unduplicated Student Group(s)</p> <p>Location: All Schools</p> <p>5.2 Curriculum & Instruction: Provide "Newcomer Services" at all levels to support EL students entering U.S. schools for the first time (students enrolled less than 2 years).</p>	<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners</p> <p>Scope of Service: Limited to Unduplicated Student Group(s)</p> <p>Location: All Schools</p> <p>This is the third year the Compton Unified School District has implemented the Newcomer program at Roosevelt MS and Dominguez HS. This program consists of one to one technology, bilingual teachers, and bilingual instructional assistant support. Students in U.S. schools two years or less can be part of the program for one year. During their stance in the program students are taught with curriculum via various content areas specifically tailored for Newcomers and are given access to on-line programs (i.e., Rosetta Stone). Newcomer students not in the the Newcomer Program were provided supplemental resources (i.e., bilingual dictionaries) to assist with their language acquisition. Newcomer students were also provided with Newcomer toolkits to provide targeted differentiated instruction. In addition, all Newcomer students in the Compton Unified School District are provided with Imagine Learning and/or Rosetta Stone licenses to accelerate their English language development. Bilingual instructional assistant support was also provided to Newcomer students throughout the district.</p>	<p>Action 5.13 funds support - 1000-1999 Certificated Salaries - Federal Revenues - Title III: \$191,206 (repeated expenditure)</p> <p>Action 5.13 funds support. - 2000-2999 Classified Salaries - Federal Revenues - Title III: \$166,417 (repeated expenditure)</p> <p>Action 5.13 funds support. - 3000-3999 Employee Benefits - Federal Revenues - Title III: \$107,536 (repeated expenditure)</p> <p>Action 5.13 funds support. - 4000-4999 Books and Supplies - Federal Revenues - Title III: \$142,876 (repeated expenditure)</p> <p>Action 5.13 funds support - 7000-7499 Other - Federal Revenues - Title III: \$13,420 (repeated expenditure)</p>	<p>Action 5.13 funds support - 1000-1999 Certificated Salaries - Federal Revenues - Title III: \$187,382 (repeated expenditure)</p> <p>Action 5.13 funds support - 2000-2999 Classified Salaries - Federal Revenues - Title III: \$163,089 (repeated expenditure)</p> <p>Action 5.13 funds support - 3000-3999 Employee Benefits - Federal Revenues - Title III: \$105,385 (repeated expenditure)</p> <p>Action 5.13 funds support - 4000-4999 Books and Supplies - Federal Revenues - Title III: \$140,018 (repeated expenditure)</p> <p>Action 5.13 funds support - 7000-7499 Other - Federal Revenues - Title III: \$13,152 (repeated expenditure)</p>

In addition, K-8 teachers participated in GLAD training during the summer and follow up sessions throughout the year which focused on academic vocabulary. At the secondary level (6-8), teachers utilized the district adopted ELA/ELD Collections curriculum which integrates vocabulary instruction. Also, English 3-D curriculum was taught in Academic Language Development (ALD) courses for Long Term English learners. Professional Development, demonstration lessons, and side by side coaching was offered to all teachers implementing English 3-D. Professional Development on the English Learner Proficiency Assessment of California (ELPAC) was provided to site English Learner Specialists with a focus on academic vocabulary. A group of secondary ELD, English, and math teachers were provided with follow up Sheltered Instruction Observation Protocol (SIOP) training which integrates linguistically, culturally relevant, and responsive pedagogy during lesson planning.</p>	<p>Action 5.13 fund support - 1000-1999 Certificated Salaries - Federal Revenues - Title III: \$191,206 (repeated expenditure)</p> <p>Action 5.13 funds support - 2000-2999 Classified Salaries - Federal Revenues - Title III: \$166,417 (repeated expenditure)</p> <p>Action 5.13 funds support - 3000-3999 Employee Benefits - Federal Revenues - Title III: \$107,536 (repeated expenditure)</p> <p>Action 5.13 funds support - 4000-4999 Books and Supplies - Federal Revenues - Title III: \$142,876 (repeated expenditure)</p> <p>Action 5.13 funds support - 7000-7499 Other - Federal Revenues - Title III: \$13,420 (repeated expenditure)</p>	<p>Action 5.13 fund support - 1000-1999 Certificated Salaries - Federal Revenues - Title III: \$187,382 (repeated expenditure)</p> <p>Action 5.13 funds support - 2000-2999 Classified Salaries - Federal Revenues - Title III: \$163,089 (repeated expenditure)</p> <p>Action 5.13 funds support - 3000-3999 Employee Benefits - Federal Revenues - Title III: \$105,385 (repeated expenditure)</p> <p>Action 5.13 funds support - 4000-4999 Books and Supplies - Federal Revenues - Title III: \$140,018 (repeated expenditure)</p> <p>Action 5.13 funds support - 7000-7499 Other - Federal Revenues - Title III: \$13,152 (repeated expenditure)</p>

Action 4

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures

For Actions/Services included as contributing to meeting Increased or Improved Services Requirement

Students to be Served: English Learners

Scope of Service: Limited to Unduplicated Student Group(s)

Location: All Schools

5.4 Curriculum & Instruction: Integrate multiple representations and modalities throughout the core curriculum to support EL students acquisition of language (i.e., visual and performing arts, classroom discussion, etc.).

For Actions/Services included as contributing to meeting Increased or Improved Services Requirement

Students to be Served: English Learners

Scope of Service: Limited to Unduplicated Student Group(s)

Location: All Schools

Classroom discussions, multiple representations, and modalities are embedded throughout the ELD curriculum and professional development offerings. GLAD and SIOP both support various learning modalities. Both GLAD and SIOP also focus on oral language development.

	<p>programs throughout the county. In addition, teachers were provided with curriculum in Spanish and English. The Compton Unified School District plans to expand dual immersion programs in subsequent years with Dickison ES offering dual immersion in the 2018-19 school year. World Language programs have expanded to five middle schools offering Spanish 1 and Spanish 2 which fulfills the World Language college requirement. Furthermore, middle school course offerings of Spanish 1 and Spanish 2 provides students an opportunity to matriculate into higher levels of Spanish courses in high school. Que Chevere World Language curriculum was adopted this school year and teachers were provided with extensive professional development. World Language teachers attended various professional development sessions from Occidental College, LACOE, and Que Chevere. Vertical articulation among middle school and high school World Language teachers was a focus this school year. Seal of Biliteracy assemblies and monitoring of potential recipients was a focus this school year. Significant increases in the number of Seal of Biliteracy recipients was evident at Compton HS and Dominguez HS.</p>	<p>- Title III: \$142,876 (repeated expenditure) Action 5.13 funds support. - 5000-5999 Services and Other Operating Expenses - Federal Revenues - Title III: \$13,420 (repeated expenditure)</p>	<p>Federal Revenues - Title III: \$13,152 (repeated expenditure)</p>

schools throughout the district. Rigorous ELD course offerings consist of Academic Language Development, Journalism ELD, and Advanced ELD. Academic Language Development courses are offered at both the middle and high school level with a focus on academic vocabulary and discourse. Journalism ELD focuses on writing and project based learning for high school EL students. The Advanced ELD course consists of thematic units related to novels for students at the high school level. All of these courses have been A-G approved. In preparation for the ELPAC additional support was provided for English learners by offering after school tutoring for Long-Term English learners in the 9th grade with a focus on data chats. Language Appraisal Team meetings were held for at-risk and Long Term English learners. Part of the LAT plans consists of interventions in core classrooms and data chats pertinent to current progress. At risk and long term English learners were given access to web-based programs such as Imagine Learning and Write to Learn to accelerate English language development.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

In order to properly implement Goal 5 actions/services the Compton Unified School District funded one English Learner Services director, one English Learner Services administrator, and three district English Learner Specialists. In addition, the district is funding fifty bilingual instructional assistants to support each school with their English Learner population.

The English Learner Services Department supports K-12 sites by implementation of the CUSDs English Learner Master Plan which stipulates guidelines and processes for English Learner student placement. The English Learner Services Department

offered extensive training on the newly adopted K-12 ELD curriculum. In addition, the English Learner Services Department supports daily Designated and Integrated ELD at all K-12 schools. The district has focused on initiating the 90-minute Designated ELD/MTSS block at all K-8 schools which includes ongoing professional development and monitoring. The 90-minute block encompasses a time during the instructional day where students receive 60 minutes of ELD instruction. Follow up GLAD and SIOP professional development was offered to a cohort of trained teachers on a monthly basis. Professional development on language objectives across content areas and ELD standards was offered throughout the district. The districts professional development model will continue in the upcoming year a focus on the 90-minute block, language objectives, ELD standards, SIOP, and GLAD. Ongoing coaching and monitoring will expand in the upcoming year on the aforementioned PD initiatives at both the Elementary and Secondary level.

Actions and services correlated to Goal 5 include the expansion of dual-immersion programs. Currently, the Compton Unified School District has two dual immersion programs. The English Learner Services Department has made it a priority to offer professional development for dual-immersion teachers. Furthermore, the district has provided administrators and teachers from the dual-immersion schools to visit exemplary dual-immersion programs in other districts. The district plans to expand the dual-immersion program to a third Elementary school in the upcoming year.

Actions and services provided to Newcomer students include two Newcomer Programs - one middle school and one high school. The additional services provided in the Newcomer program include supplemental curriculum specifically for Newcomers, curriculum in students primary language, translation dictionaries, and one to one technology. Students in the Newcomer Program are taught by bilingual teachers and are provided additional support by means of bilingual instructional assistants. All students have access to Rosetta Stone licenses as an additional support in their English Language acquisition. The Newcomer Program will expand to include an additional middle school in the 2018-19 school year.

Actions and services for at-risk Long Term English Learners and Long Term English Learners include funding of Imagine Learning licenses to help students develop literacy skills. Write to Learn licenses were also provided for secondary students to assist in the area of writing. English 3-D curriculum was offered at the middle school and high school specifically targeting Long Term English Learner students. The district offered a journalism ELD course at the high school level for Long Term English learners which was A-G approved as an elective. Advanced ELD and Academic Language Development (ALD) courses are A-G approved courses for Long Term English Learners at the high school level. The district expanded the after school journalism program for at-risk Long Term English Learners at 17 of the 21 Elementary schools. The 90-minute block provides targeted instruction for at-risk and long-term English learners by providing a differentiated blended learning model. In order to provide targeted and differentiated instruction for Long Term English Learners, the district plans on replicating the blended learning model at all secondary schools.

The English Learner Services Department has provided professional development on the newly adopted World Language curriculum at both the middle and high school levels. The district offered World Language pathways which allowed students to receive college credit for Spanish courses taken at the middle school level. In addition, students will be given the opportunity to take AP Spanish courses at the high school level. The district has invested in the on-line component of the World Language curriculum and blended learning integrating these on-line resources will be a focus in the upcoming year.

The English Learner Services Department conducts monthly District English Language Advisory Council (DELAC) meetings and has covered various topics pertinent to English Learner progress. In addition, the English Learner Services Department also monitors English Language Advisory Council (ELAC) meetings at the school sites.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Upon thorough analysis of the different metrics correlated with Goal 5, the Compton Unified School District has made steady increases in reclassification rates, language growth, and graduation rates. Reclassification rates have increased by four percent, language growth measures by the annual measurable achievement objectives have remained consistent, language proficiency measured by the annual measurable achievement objectives have increased by five percent. Graduation rates for the EL subgroups have seen significant increases over the past years. As a result, the Compton Unified School District will continue to implement actions and services correlated to Goal 5 of the LCAP. Current data indicates that the district should continue with consistent implementation of services correlated to Goal 5.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

There are no material differences between budgeted expenditures and estimated actual.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

No changes were made to Goal 5, to actions/services, or to the metrics. The metrics for Goal 5 are now Aligned to meet the requirements set forth by CDE and the implementation of the new State Accountability Dashboard.

Stakeholder Engagement

LCAP Year: **2018-19**

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

As part of the planning process for this LCAP/Annual Review and Analysis, the LEA consulted with the following groups and on the date(s) identified:

LCAP/ Parent Advisory Committee (PAC) meeting (February 10, April 25 and May 22, 2018)*: The LCAP committee consists of DELAC representatives, Foster Youth representatives, African American Parent Advisory Committee, DAC, Compton Education Association, Classified Unions, administrative staff, site level certificated and classified staff and community representatives. The initial meetings addressed the updates to the 2107/18 LCAP implementation and to review student achievement data, 2017/20 LCAP requirements and current LCAP actions. Based on a review of the data the committee commented on existing actions and made comments related to continued progress and potential new actions. The next meeting provided committee members the opportunity to review the outcomes of the climate survey administered to parents, staff and students and to identify areas of strengths and weaknesses. During this review recommendations were made related to the various goals/actions within the LCAP. The final meetings provided members the opportunity to review the proposed actions and budget for the coming year.

The same process and activities were completed with the following committees:

District Advisory Committee meeting (February 7 and May 2, 2018)*: This committee is made up of site level representatives (i.e., parents, staff, and administrators) from each site level School Site Council.

African American Parents Advisory Group (March 15, 2018)*: This committee is made up of site level representatives (i.e., parents, staff, and administrators) from each school community.

District English Learner Advisory Council (DELAC) (February 27, March 27, and May 22, 2018)*: This committee is made up of site level representatives (i.e., primarily parents) from the various ELAC committees.

*Comments/concerns from these committees are addresses as part of the ongoing collaboration of revising the LCAP by the Superintendent/designee during each meeting. A final feedback sheet is provided to all members during the last meeting and comments/concerns are addressed verbally at the end of the meeting by the Superintendent/designee and those written comments are then responded to in writing on the district website as noted by Ed. Code.

Administrative Team Meetings (February 14 and April 17, 2018): These meetings followed the same format and topics of the required LCAP committee meetings. Site administrators were provided with an outline of the presentation that each school administrator was required to present to the school's certificated and classified staff, the SSC, ELAC and other stakeholders related to the progress of the current LCAP and providing in-put on actions and services.

School Site Staff Meetings, School Site Council (SSC) Meetings & English Learner Advisory Committee (ELAC) Meetings (February - April, 2018): Each school site held an LCAP stakeholder meeting with the School Site Staff, School Site Council and ELAC separately to review the LCAP update and the current goals, actions and services using district provided presentation PowerPoint. Following the presentations, participants were assigned to groups to review and make recommendations on goals, actions and services for the coming LCAP cycle.

District Administrative Team (January, 2018 thru May, 2018): The administrative team varied depending on the goal or purpose, but it was comprised of the different department heads from each area of the district. During these meetings the existing LCAP was reviewed, tasks related to updating actions and metrics were assigned, discussion of new goals and limiting metrics occurred, and new or refined actions were created. Meetings with individuals also occurred as the program needs arose.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

Existing Education Code requires that consultation occurs with teachers, principals, school personnel, pupils and local bargaining units. It also requires that the LCAP is presented for review and comments by a parent advisory council and an English Learner Advisory Committee. To meet the consultation requirements CUSD included all of the required stakeholder groups into its LCAP Committee, provided school staff (administrative, classified, and certificated) opportunities to provide input via the Connectedness Survey and the school site LCAP presentations, and provided students with the opportunity to participate via the Connectedness Survey. To meet the review and comment requirements, CUSD created an LCAP committee that were primarily parent representatives from the District Advisory Council (DAC) and other stakeholder groups. To meet the EL parent advisory group requirements, parent representatives from DELAC were also included. In addition to the required elements, CUSD surveyed parents at each school site via the Connectedness Survey and presented the LCAP to each SSC and ELAC.

The impact that these meetings/surveys/data reviews had on the LCAP is as follows:

- Actions were review and further refined to allow for flexibility in implementation as programs and projects develop during the school year and to allow staff to adapt to student and district needs as the year progresses.
- Each group was presented with clear information related to Ed Code on the structure and development of the LCAP to eliminate confusion over the final draft of actions and expenditures.
- The current status of Differentiated Assistance was reviewed with the committees
- Anti-bullying, student wellness, and extending student involvement in decision making are all areas of desired emphasis by students and staff.
- Overall parent connectedness surveys indicate high levels of "agree/strongly agree" on each of the questions/areas.

Research shows it takes 3-5 years to allow successful change initiatives to occur. Based on the current LCAP goals, actions and metrics CUSD will be in year three of implementation during the 2018-2019 school year. As a result, no major changes were included to the actions, goals, and metrics contained within this LCAP.

Goals, Actions, & Services

Goal 1

Goal 1:

All students will meet or exceed state academic standards that will prepare them to compete in the global society.

State and/or Local Priorities Addressed by this goal:

State Priorities: 2. Implementation of State Standards; 4. Pupil achievement; 5. Pupil engagement; 7. Course access; 8. Other pupil outcomes
Local Priorities:

Identified Need:

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
CAASPP ELA Data Grades 3-8 & 11	<p>Baseline 2015-2016 data of <i>Exceeds & Meets Standards</i>:</p> <p>All - 29%: Grade 3 - 30%; Grade 4 - 33%; Grade 5 - 34%; Grade 6 - 33%; Grade 7 - 28%; Grade 8 - 26%; Grade 11 - 15%</p> <p>Currently overall district is at 46.3 points below a Level 3 and achieved an 18.3 points increase over the previous year.</p>	<p>Medium status of 5 points below Level 3 to 10 points above Level 3</p> <p>Increased change of 7 to less than 20 points over the previous year.</p>	<p>Medium status of 5 points below Level 3 to 10 points above Level 3</p> <p>Increased change of 7 to less than 20 points over the previous year.</p>	<p>High status of 10 points above Level 3 to 45 points above Level 3</p> <p>Increased change of 7 to less than 20 points over the previous year.</p>
CAASPP Mathematics Data Grades 3-8 & 11	<p>Baseline 2015-2016 data of <i>Exceeds & Meets Standards</i>:</p> <p>All - 20%: Grade 3 - 38%; Grade 4 - 27%; Grade 5 - 18%; Grade 6 - 33%; Grade 7 - 17%; Grade 8 - 17%; Grade 11 - 3%</p> <p>Currently overall district is at 73.5 points below a Level</p>	<p>Medium status of 5 points below Level 3 to 25 points below Level 3</p> <p>Increased change of 5 to less than 15 points or more over the previous year.</p>	<p>Medium status of 5 points below Level 3 to 25 points below Level 3</p> <p>Increased change of 5 to less than 15 points or more over the previous year.</p>	<p>High status of 5 points below Level 3 to 35 points above Level 3</p> <p>Increased change of 5 to less than 15 points or more over the previous year.</p>

	3 and achieved an 15.2 points increase over the previous year.			
California Science Test (CAST)	Develop a baseline proficiency rate on the new California Science Test (CAST).	Increase 5% over baseline proficiency rate on CAST.	Increase 5% the baseline year proficiency rate.	Increase 5% over 2018-2019 data proficiency rate on CAST.
Grade of D or F Rate	Current baseline data for Grade of D or F (2016-2017 Semester 1) overall is 21.30%. 14.70% at the middle school level (2016-2017 Trimester 1 & 2) and 26.80% at the high school level (2016-2017 Semester 1).	Decrease Grade of D or F rate overall to 20% for district and high school. Maintain between 10% & 15% maximum at middle school level.	Decrease Grade of D or F rate overall to 15% for district and high school. Maintain between 10% & 15% maximum at middle school level.	Decrease Grade of D or F rate overall to less than 15% for district, middle school and high school.

Planned Actions / Services

Complete a copy of the following table for each of the LEA's Actions/Services. Duplicate the table, including Budgeted Expenditures, as needed.

Action 1

For Actions/Services not included as contributing to meeting the Increased or Improved Services Requirement:

Students to be Served:

(Select from All, Students with Disabilities, or Specific Student Groups)

Location(s):

(Select from All Schools, Specific Schools, and/or Specific Grade Spans)

OR

For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement:

Students to be Served:

(Select from English Learners, Foster Youth, and/or Low Income)

English Learners, Foster Youth, Low Income

Scope of Services:

(Select from LEA-wide, Schoolwide, or Limited to Unduplicated Student Group(s))

LEA-wide

Location(s):

(Select from All Schools, Specific Schools, and/or Specific Grade Spans)

All Schools

Unchanged Goal

Goal 2:

Goal 2

All staff and community partners will collaborate to ensure all necessary materials, equipment and supports are provided to students within a safe and well-maintained learning environment.

State and/or Local Priorities Addressed by this goal:

State Priorities: 1. Basic; 2. Implementation of State Standards; 4. Pupil achievement; 5. Pupil engagement; 6. School climate
Local Priorities:

Identified Need:

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
Basic Textbook Compliance	Provide students with all core adopted, State approved textbooks for all courses to meet the William's Compliance regulation. William's Compliant Authorization from LACOE 2016-2017: 100%	Maintain William's Compliant Authorization from LACOE - 100%	Maintain William's Compliant Authorization from LACOE - 100%	Maintain William's Compliant Authorization from LACOE - 100%
Basic Facilities Compliance	Maintain 100% of facilities in Good repair as indicated by a range of 90% or higher on the facilities inspection tool to meet safety and accountability standards as measured by the William's Compliance regulations. 27 submissions of William's Complaints related to facilities were received in 2015-2016.	Maintain the William's Compliance rating of 90% or higher for each school. Decrease William's Facilities complaints to less than 20.	Maintain the William's Compliance rating of 90% or higher for each school. Decrease William's Facilities complaints to less than 15.	Maintain the William's Compliance rating of 90% or higher for each school. Decrease William's Facilities complaints to less than 10.
Basic Teacher Assignments	Provide appropriately assigned, fully credentialed teachers to sites 2016-2017 Baseline data: Fully credentialed teachers = 96.7% Appropriately assigned teachers = 66.79%	Fully credentialed teachers = 98% Appropriately assigned teachers = 73.7%	Fully credentialed teachers = 98% Appropriately assigned teachers = 81.7%	Fully credentialed teachers = 99% Appropriately assigned teachers = 90%
Suspension rates	Current suspension rate available (2015-2016): 2.4%	Maintain or Decrease suspension rate by 0.5% or more over baseline data.	Decrease suspension rate to 2%.	Maintain suspension rate at 2% or less.
Expulsion rate	Maintain low rate of expulsions as current data	Maintain low rate of expulsions at less than 1%	Maintain low rate of expulsions at less than 1% overall.	Maintain low rate of expulsions at less than 1% overall.

	(2015-2016) shows 0% (5 expulsions total).	overall.		
Local School Connectedness/Climate Survey	2015-2016 District School Connectedness Survey results: 51.4% agree/strongly agree & 18.9% are undecided "that school is a safe place where bullying/disrespect are addressed"; 76% agree/strongly agree with adults work hard to ensure a safe/supportive environment; 75.3% agree/strongly agree that rules/consequences are clearly communicated	Increase the percentage of agree/strongly agree by 5% in each area over the baseline data.	Increase the percentage of agree/strongly agree by 3% in each area over the 2017-2018 data.	Increase the percentage of agree/strongly agree by 2% in each area over the 2018-2019 data.
Implementation of Academic Standards	<p>Baseline data (2016-2017) for Academic Standards & Curriculum Frameworks Reflection Tool indicate the following percentage for Full Implementation (4) or Full Implementation/ Sustainability (5):</p> <p>Q1 - 74% for ELA; 58% for ELD; 71% for Math; 6% for NGSS (35% for Initial implementation); 24% for History/SS.</p> <p>Q2 - 63% for ELA: 47% for ELD; 73% for Math; 7% for NGSS (28% for Initial Implementation); 24% for History/SS</p> <p>Q3- 61% for ELA: 59% for ELD; 62% for Math; 9% for NGSS (24% for Initial Implementation); 28% for History/SS</p> <p>Q4- 43% for CTE; 34% for Health; 47% for PE; 43% for VAPA; 54% for World Language</p>	Move ratings for each question on the Academic Standards & Frameworks Reflection Tool to a majority score (90%) of a 4 or 5 in each area for each question.	Move ratings for each question on the Academic Standards & Frameworks Reflection Tool to a majority score (90%) of a 4 or 5 in each area for each question.	Move ratings for each question on the Academic Standards & Frameworks Reflection Tool to a majority score (90%) of a 4 or 5 in each area for each question.

Q5- 73% for ID of PD needs whole group; 52% for ID of PD needs for individual; 53% for support individual on standards not met

Planned Actions / Services

Goal 3

Goal 3:

Students will have full access to a variety of courses and enroll in a scope of study that will prepare them to be college and career ready.

State and/or Local Priorities Addressed by this goal:

State Priorities: 1. Basic; 2. Implementation of State Standards; 4. Pupil achievement; 5. Pupil engagement; 6. School climate; 7. Course access; 8. Other pupil outcomes
Local Priorities:

Identified Need:

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
Graduation Rate	Baseline data is 78.4% for the four year cohort calculation in 2015-2016; CA Dashboard 80.1%.	Increase four year cohort calculation to 83.5%. Using new LCFF Evaluation Rubric indicators achieve a status of 85% to 90% with an increase of 5% or greater.	Using new LCFF Evaluation Rubric indicators achieve a status of 85% to 90% with an increase of 1% to less than 5%.	Using new LCFF Evaluation Rubric indicators achieve a status of 85% to 90% with an increase of 1% to less than 5%.
A-G Course Completion	A-G course completion baseline data (2015-2016) indicates 26.2% achieved completion of these requirements.	Increase by 3--5% the A-G completion rate over the baseline year. Meet the medium level requirements of the LCFF Evaluation Rubric to be yellow or green.	Increase by 3% the A-G completion rate over the 2017-2018 year. Meet the medium level requirements of the LCFF Evaluation Rubric to be yellow or green.	Increase by 3% the A-G completion rate over the 2018-2019 year. Meet the medium level requirements of the LCFF Evaluation Rubric to be yellow or green.
A-G Completion for African American students	A-G course completion for African American students baseline data (2015-2016) indicates 15.5% achieved completion of these requirements.	Increase by 5% the A-G completion rate of African American students over the baseline year. Meet the medium level requirements of the LCFF Evaluation Rubric to be yellow or green.	Increase by 5% the A-G completion rate of African American students over the 2017-2018 year. Meet the medium level requirements of the LCFF Evaluation Rubric to be yellow or green.	Increase by 5% the A-G completion rate of African American students over the 2018-2019 year. Meet the medium level requirements of the LCFF Evaluation Rubric to be yellow or green.
Advance Placement Exam Pass Rates of 3 or Higher	Current baseline data (2015-2016) indicates that 313	Increase the percentage of students passing AP exams	Increase the percentage of students passing AP exams	Increase the percentage of students passing AP exams

	tests (19.5%) of the 1,602 tests administered received a score of 3 or higher.	with a 3 or higher to 25%. Increase the number of test administered to 1,700.	with a 3 or higher to 30%. Increase the number of test administered to 1,800.	with a 3 or higher to 35%. Increase the number of test administered to 1,800.
EAP Assessment	Current baseline data (2015-2016) indicates that 15% of the 11th grade met/exceeded standards for the EAP in ELA and 3% of the 11th grade met/exceeded standards for the EAP in math.	Increase the percentage of met/exceeded to 35% in ELA and to 25% in math.	Increase the percentage of met/exceeded to 40% in ELA and to 30% in math.	Increase the percentage of met/exceeded to 55% in ELA and to 35% in math.
Completion of CTE Pathways	Current baseline data (2015-2016) 134 students of students successfully completed CTE pathways with the Capstone. This is 97.95% as per CDE Core Indicator Report .	Maintain the completion rate at 95% or higher as noted by the CDE Core Indicator Report.	Maintain the completion rate at 95% or higher as noted by the CDE Core Indicator Report.	Maintain the completion rate at 95% or higher as noted by the CDE Core Indicator Report.
Course Access	Current course enrollment data (2015-2016) shows 14% of middle school students take world language Level I and 1% of middle school students take world language Level II to meet the A-G requirement.	Increase by 3% the number of middle school students taking world language Level I over the baseline year. Increase by 3%, over the baseline year, the amount of students completing the world language requirements prior to 9th grade (i.e., Level II).	Increase by 2% the number of middle school students taking world language Level I over the 2017-2018 year. Increase by 2%, over the 2017-2018 year, the amount of students completing the world language requirements prior to 9th grade.	Increase by 2% the number of middle school students taking world language Level I over the 2018-2019 year. Increase by 2%, over the 2018-2019 year, the amount of students completing the world language requirements prior to 9th grade.

Planned Actions / Services

Goal 4

Goal 4:

All staff will promote student engagement by building positive environments, inclusive of parent and community participation.

State and/or Local Priorities Addressed by this goal:

State Priorities: 3. Parent involvement; 4. Pupil achievement; 5. Pupil engagement; 6. School climate
Local Priorities:

Identified Need:

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
Overall Attendance Rate	Baseline overall attendance rate (2015-2016) 95.1%.	Increase overall attendance rate to 96.%.	Increase overall attendance rate to 97.%.	Increase overall attendance rate to 98.%.
Chronic Absenteeism	Baseline data for chronic absenteeism (2015-2016) 13.4%.	Decrease chronic absenteeism rate by 2% over baseline year.	Decrease chronic absenteeism rate by 2% over 2017-2018 year.	Decrease chronic absenteeism rate by 1% over 2018-2019 year.
High School Graduation Rate	Baseline data is 78.4% for the four year cohort calculation in 2015-2016.	Increase four year cohort calculation to 83.5%. Using new LCFF Evaluation Rubric indicators achieve a status of 85% to 90% with an increase of 5% or greater.	Using new LCFF Evaluation Rubric indicators achieve a status of 85% to 90% with an increase of 5% or greater.	Using new LCFF Evaluation Rubric indicators achieve a status of 90% to 95% with an increase of 5% or greater.
High School Drop-out Rate	Current baseline data (2015-2016) for high school drop-out rate shows 15.1%.	Decrease the high school drop-out rate by 3% over the baseline year.	Decrease the high school drop-out rate by 2% over the 2017-2018 year.	Decrease the high school drop-out rate by 2% over the 2018-2019 year.
Middle School Drop-out Rate	Current baseline data (2015-2016) shows 0.88%.	Maintain middle school drop-out rate of less than 1%.	Maintain middle school drop-out rate of less than 1%.	Maintain middle school drop-out rate of less than 1%.
Parent Engagement - Programs	Create a baseline for parent engagement by maintaining data on completion of climate surveys (2016-2017) 2,036 completed and attendance at district-wide parent events (2016-2017) 322 attended DO parent workshops (4-days).	Increase number of completed parent surveys to 2,500. Increase number of parents attending district-wide parent events to 450.	Increase number of completed parent surveys to 3,000. Increase number of parents attending district-wide parent events to 500.	Increase number of completed parent surveys to 3,500. Increase number of parents attending district-wide parent events to 600.
Parent Engagement - Decision Making	Current data (2016-2017) on district climate/connectedness parent survey shows 81% of parents completing the survey feel "school promotes parent participation in decision making that affects school practices/policies" (#13)	Maintain 80% or higher rating on district climate/connectedness parent survey for question #13 - "school promotes parent participation in decision making that affects school practices/policies"	Maintain 80% or higher rating on district climate/connectedness parent survey for question #13 - "school promotes parent participation in decision making that affects school practices/policies"	Maintain 80% or higher rating on district climate/connectedness parent survey for question #13 - "school promotes parent participation in decision making that affects school practices/policies"

Planned Actions / Services

Complete a copy of the following table for each of the LEA's Actions/Services. Duplicate the table, including Budgeted Expenditures, as needed.

Action 1

For Actions/Services not included as contributing to meeting the Increased or Improved Services Requirement:

Students to be Served:

(Select from All, Students with Disabilities, or Specific Student Groups)

Location(s):

(Select from All Schools, Specific Schools, and/or Specific Grade Spans)

Goal 5

Goal 5:

English Learners will acquire the academic and linguistic skills needed to attain grade level proficiency and college/career readiness.

State and/or Local Priorities Addressed by

State Priorities: 1. Basic; 2. Implementation of State Standards; 3. Parent involvement; 4. Pupil achievement; 5. Pupil engagement; 7. Course access; 8. Other pupil outcomes

this goal:

Local Priorities:

Identified Need:**Expected Annual Measurable Outcomes**

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
English Learner Progress	<p>Current baseline data on English Learner progress (2015-2016) indicates:</p> <p>55.4% are improving a CELDT level in a single year</p> <p>25% of students with less than 5 years in US schools, who are currently attending CUSD, are attaining proficiency on CELDT</p> <p>38.7% of students with more than 5 years in US schools, who are currently attending CUSD, are attaining proficiency on CELDT</p> <p>EL students in grades 3-8 scored 57.8 below Level 3 and had a 15.6 point increase in ELA CAASPP.</p> <p>EL students in grades 3-8 scored 80.2 points below a Level 3 and had a 12 point increase in math CAASPP.</p>	<p>Increase over baseline data on English Learner progress for each category by 5%</p> <p>Move overall EL proficiency to Medium (67% to less than 75%) status and increased change (1.5% to less than 10% increase).</p>	<p>Increase over 2017-2018 data on English Learner progress for each category by 5%</p> <p>Move overall EL proficiency to Medium (67% to less than 75%) status and increased change (1.5% to less than 10% increase).</p>	<p>Increase over 2018-2019 data on English Learner progress for each category by 5%</p> <p>Move overall EL proficiency to High(75% to less than 85%) status and increased change (1.5% to less than 10% increase).</p>
Reclassification Rate	<p>Current baseline data for reclassification (2015-2016) is 14.5%.</p>	<p>Increase the reclassification rate by 3 - 5% over the baseline year.</p> <p>Move overall EL proficiency to Medium (67% to less than 75%) status and increased change (1.5% to less than 10% increase).</p>	<p>Increase the reclassification rate by 3 - 5% over the 2017-2018 year.</p> <p>Move overall EL proficiency to Medium (67% to less than 75%) status and increased change (1.5% to less than 10% increase).</p>	<p>Increase the reclassification rate by 5% over the 2018-2019 year.</p> <p>Move overall EL proficiency to High(75% to less than 85%) status and increased change (1.5% to less than 10% increase).</p>

EL Graduation Rate	Current baseline data for EL four year cohort graduation rate (2015-2016) is 74%. Current LCFF Evaluation Rubric rate is 71.1% (low) with a 13.2% increase (significant).	Increase 5% over baseline data for EL four year cohort graduation rate.	Increase 5% over 2017-2018 data for EL four year cohort graduation rate.	Increase 3% over 2018-2019 data for EL four year cohort graduation rate.
EL Student Grade of D or F Rate	Current baseline data for EL Student Grade of D or F Rate (2016-2017 Semester 1) is 32.3%.	Decrease EL Student Grade of D or F Rate to 25%.	Decrease EL Student Grade of D or F Rate to 20%.	Decrease EL Student Grade of D or F Rate to less than 15%.

Planned Actions / Services

Complete a copy of the following table for each of the LEA's Actions/Services. Duplicate the table, including Budgeted Expenditures, as needed.

Action 1

For Actions/Services not included as contributing to meeting the Increased or Improved Services Requirement:

Students to be Served:

(Select from All, Students with Disabilities, or Specific Student Groups)

Specific Student Group(s): English Learners

Location(s):

(Select from All Schools, Specific Schools, and/or Specific Grade Spans)

All Schools

OR

For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement:

Students to be Served:

(Select from English Learners, Foster Youth, and/or Low Income)

Scope of Services:

(Select from LEA-wide, Schoolwide, or Limited to Unduplicated Student Group(s))

Location(s):

(Select from All Schools, Specific Schools, and/or Specific Grade Spans)

Actions/Services

2017-18

Select from New Action, Modified Action, or Unchanged Action:

Unchanged Action

2018-19

Select from New Action, Modified Action, or Unchanged Action:

Unchanged Action

2019-20

Select from New Action, Modified Action, or Unchanged Action:

Unchanged Action

5.1 Curriculum & Instruction: Provide rigorous ELD instruction daily for all EL students and provide appropriate placement of EL students in core classes and ELD classes at all levels.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2018-19**

Estimated Supplemental and Concentration Grant Funds:

\$61,171,373

Percentage to Increase or Improve Services:

35.50%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds ([see instructions](#)).

CUSD has an unduplicated pupil count of approximately 90%. The high population of low income (87.5%), foster youth (1.6%) and EL students (35.9%) in CUSD necessitates that many of the actions using supplemental and concentration funds are allocated to pursue district-wide and/or school-wide activities to improve the academic achievement of all students versus being specifically concentrated on a single subgroup. The actions and services, however, have all been included/designed to support the academic achievement and school success of the unduplicated populations and are principally directed towards those students.

While some funds were maintained centrally, a portion of the funding (approximately \$13 million; Goal 1 Action 26) of the allocation was provided to the school sites to address individual site needs in the areas outlined by the eight State Priorities and the District's LCAP goals to meet the needs of the unduplicated pupil groups specific to their individual school sites. Each site allocation was determined on a per pupil amount. The Single School Plan (SPSA) development process is used to align the goals and actions within each site SPSA to those of the LCAP and the needs of its unduplicated pupil groups. Actions and services being implemented with the supplemental and concentration grant funds allocated to the school sites include the implementation of intervention programs, professional development for staff, materials & supplies needed for extended learning opportunities, and purchase of supplemental materials/programs that are tailored to low income students, English Learners and Foster Youth. All expenditures are processed through the

district office using the categorical expenditure request system where proposed expenditures are monitored for focus, the most effective use of funding and to principally direct these services toward the unduplicated count students .

The following actions/services are identified as **LEA-wide** and are principally directed towards unduplicated students and are effective in increasing or improving services for these students:

Goal 1:

Assessment & Curriculum Development (Action 1 & 2): Providing ongoing targeted assessment that is aligned to a comprehensive district-wide curriculum plan ensures that UDP students have adequate and appropriate access to the instructional resources needed to close the achievement gap. These tools also ensure that intervention resources, over and above the core, are identified for teachers so they can use them to support the needs of UDP students. Finally, regular monitoring of student performance, at a granular level (i.e., by UDP sub-group), provide by these tools ensures students are receiving all of the support needed to achieve.

Enrichment Programs (STEM Programs, Arts, & PE) (Action 3, 4 & 5): Enrichment programs are critical to supporting the success of our unduplicated students. While Arts and Physical Education are part of the general curriculum and are provided appropriately to all students in CUSD, providing additional enrichment moments is important to furthering student engagement and achievement. Providing additional teachers to teach the enrichment activities is part of how the actions for all of these programs are achieved - arts, PE and STEM. Also, integration of science, technology, engineering, and mathematics (STEM) subject matter is key for students to develop the requisite skills needed for 21st Century learning environments and for 21st Century careers. Providing UDP students with multiple opportunities to participate in STEM related programs allows them opportunities that are not always found within the core instruction and allows them to develop skills that will help them be competitive in future academic and career pursuits. Programs such as Project Lead the Way (PLTW), Mesa, and our own Lego First Robotics program provide students with experiences they can apply to a variety of STEM related content. With these programs Foster Youth, low-income students, and EL students will be provided with experiences and language opportunities that are critical to enriching their schema and furthering their academic development.

Ed Tech Program & Staffing (Action 6, 7 & 8): Education in the 21st Century must include a rigorous technology program and provide for support of implementation of technology. Providing a combination of district-level and site-level staff to support the implementation of educational technology into regular classroom practices as well as develop new and innovative computer related courses is critical to providing UDP students with appropriate access to experiences and skills needed to achieve at high levels and to be competitive in future careers. The variety of program components (i.e., PD, coaching support, program development, etc.) and additional staffing available also allows UDP students to better access a wide variety of intervention programs and supports for closing the achievement gap, increasing their knowledge of English (for both EL and non-EL students), and providing engaging opportunities for these students that are equivalent to their middle and upper middle class peers.

Class-size (Action 11): Providing primary grades with lower class sizes (25:1 at K-1 and 26:1 at 2-3) allows for greater teacher student interaction to support increased achievement. English learners, low-income students, and foster youth students will experience smaller group settings allowing additional opportunities to interact directly with the teacher during instruction. These students will have additional time to respond to questions during whole class lessons as the ratio of student to teacher is lower. Research supports that UDP students can improve achievement through having these types of effective teacher/student interactions. District Collective Bargaining Agreement indicates a 30:1 ratio for K-3.

Extended School Day/Year (Action 14): Providing UDP students with additional instructional minutes through adding school days (CUSD has 183) to the school year and by providing longer school days (36 hours annually) supports improving student achievement by ensuring students have more instructional opportunities to learn the skills needed to close the achievement gap. EL students will benefit from additional time learning and using English, while foster youth students and low-income students will receive the benefits of additional instructional time to either enrich or intervene their skills depending on their individual needs. UDP students may not have access to extended learning opportunities outside of the school setting and by providing a longer school year and longer days, CUSD can help support equity in extended learning and intervention opportunities.

Supplemental Materials (Action 20 & 26): Availability of research-based intervention and supplemental resources, aligned to state standards and the core, provide UDP students with materials to address their specific needs. These supplemental materials enrich the core instruction to allow low income, English learners, and Foster Youth opportunities to build schema and better understand complex content. Supplemental materials also allow teachers to address individual student learning needs by having additional intervention materials designed to support learning gaps.

Professional Development (Action 22, 24, & 25; Goal 2 Action 4): Facilitating that teachers have the most current and relevant professional development is key to ensuring they provide the most rigorous and appropriate lessons for students. Research shows that improved teacher effectiveness, through professional development, helps students achieve at higher levels, better understand content, and close the achievement gap. Ensuring that classified staff

are highly trained to provide supplemental services to students is critical to providing robust instructional programs and intervention services. The training sessions provide staff with effective core strategies as well as strategies specific to supporting UDP students (i.e., GLAD training for those supporting EL students, reading interventions strategies for low-income and foster youth students, etc.).

Goal 2:

Safety (Action 5): Ensuring safe school campuses is critical to providing UDP students with the school environment best designed for learning. By providing additional school based security staff students have a healthier school environment to learn. This additional staff, in an urban setting, provide UDP students with an other adult they can look to for support on campus. This adult not only maintains a safe environment by patrolling the campus and enforcing safety rules, but he/she also support students with positive student to student interaction. They are mentors and leaders on the campus who can help all UDP students with accessing support services (i.e., health & wellness, language services, etc.). They also serve as support systems to our new-comer students as they are actively involved in ensuring safe home school passage and helping student to become part of a new school setting. When UDP students feel safe, well connected and have adult mentors at school their ability to engage in school increases and their student achievement also increases.

Behavior Intervention Programs (Action 6): Unduplicated students benefit from positive school climate as well as positive discipline systems. Providing a variety of programs to address the varied need of UDP students allows for schools/district to ensure students needs are met in a well-rounded multi-faceted approach of prevention and intervention activities (i.e., additional support with attendance/enrollment due to non-US schools transcripts eval, or additional foster youth support/counseling services needed for success, etc.).

Technology (Action 10): Providing a variety of technology tools for students is critical in ensuring that UDP students have full access to the learning tools necessary to close the achievement gap, provide intervention activities, and allow UDP students access to information that will enrich and expand their understanding of the world outside of their immediate neighborhood. Working towards a district-wide 1:1 access to technology also requires the supporting infrastructure is functioning at the highest level.

Goal 3:

College & Career Ready Programs (Action 2, 3, 4 & 8): Broadening access to courses and programs for UDP students is critical to having them have the same opportunities as other students. These actions and services provide extended access to course work/programs such as International Baccalaureate (IB), Advanced Placement (AP), Computer Science (CS), and Early College High School. The partnership that CUSD has with El Camino College for its Early College High School program also extends to college level enrichment/extension courses provided to students after school and during summer sessions. UDP students have a variety of opportunities to enroll concurrently in college while continuing in high school. Broadening access also includes the development of the various academies within our schools. Some schools are specializing in Project Lead the Way, some are working on robotics and STEAM, others are focused on being a center for the arts all in an effort to provide students with options/experiences/choices that will better prepare them for college and career. AVID plays a huge role in ensuring equity and access to college preparedness for out UDP students. Their experiences in the program elementary through high school help them to not only be ready for the demands of college but to explore the courses that will allow their college/career experience to be rich. Each action and service extends the access UDP students have to preparing for rigorous college work and expands their individual experiences to broaden their options/choices for the future. In addition, providing these programs that are interesting for students helps support maintaining their interest in school and future careers.

Career Technical Education (CTE) (Action 5, 6, & 7): Providing UDP students with opportunities to experience high yield, high wage, high growth career pathways is critical to their success following K-12 education. Having a large variety of the current 15 CTE pathways allows students to sample different types of courses or to focus on building a strong foundation before entering a technical school or college/university after graduation. These pathways extend to our Adult School program where students can continue to access course work to support them both during high school and following graduation. Experience in these types of programs also allows students opportunities for higher paying jobs and internships as they continue their education following the 12th grade.

Extended Counseling Services (Action 9): Lowering the student to counselor ratio allows UDP student to receive additional counseling services that include both academic as well as social emotional. It also allows students to develop meaningful relationships with these adult mentors to support student engagement in school and the community.

Goal 4:

Positive School Attendance Programs (Action 1, 2, & 3): Research supports that the more students attend school the better they achieve. UDP students have unique challenges that can impede their ability to attend school in a manner that promotes positive achievement. By establishing additional programs

and services that regularly monitor and track UDP student attendance, provide interventions when regular attendance is a challenge, and celebrate positive attendance or improvement in attendance we can be certain students are receiving the instruction they need to be successful academically.

Wellness Initiative (Action 4): Creating a trauma informed and trauma sensitive environment for students is critical to providing them with the resources needed to overcome and cope with any adverse childhood experiences (ACES) they may encounter. Research supports that children with a high number of ACES or with even one severe instance have difficulty learning and participating in regular classroom settings without support. ACES are not limited to the 10 typically noted, but also include conditions that EL newcomers and others experience around moving to a new culture/country and experiencing the loss of friends, family, and familiar ways of life. ACES can be attributed to any severe life changing condition that effects ones overall sense of safety, security, consistency, etc. The actions and services associated with the Wellness Initiative provide students with the social emotional support and teachers with the skills and strategies for all to be successful in the academic process.

Parent Engagement (Action 7): Ensuring that parents of UDP students are fully aware of the skills and strategies necessary to help their children succeed in school to become college and career ready is an important piece in ensuring that students are supported at home in a manner that will help them to be successful in school. Providing workshops, meetings, and courses to parents that are over and above the general parent/teacher conference, back-to-school night, or open house are important in assisting parents to both understand the content and strategies delivered to their students during the school day and equip them with the tools to support their students at home. Focusing on the unique needs of UDP students (i.e., language needs, achievement gaps, behavioral challenges, etc.) for parent workshops supports the UDP students both in and out of school by providing their parent or guardian with tools to meet their unique needs.

School Connectedness/Engagement (Action 11): Feeling connected to school is critical to maintaining positive school attendance, improving academic skills, and ensuring students graduate successfully. By expanding the programs and services or extra-curricular activities for students we ensure they develop a connectedness to school that keeps them working toward academic achievement. These programs and services also extend and enrich classroom learning to help students have a wide range of experiences (i.e., expand schema, develop social skills, and improve English language acquisition through communication with peers) to draw from when in the classroom.

The following actions/services are noted as **limited** to unduplicated pupil groups and provide increased/improved services in the following manner:

Goal 1:

Foster Youth Services (Action 9 & 10): Providing staff specifically assigned to supporting the unique needs of Foster Youth and establishing a system of monitoring and tracking the success, needs, challenges, and services provided for our Foster Youth contributes to their overall success socially and academically. These actions and services provide additional attention and specialized services to our Foster Youth.

Intervention Programs & Materials (Action 12, 13, & 15): The intervention programs and materials described in these actions and services are designed specifically to meet the unique learning needs of our UDP students by providing them with additional instructional tutors, access to effective research-based computer programs (i.e. IReady, My SBAC Coach etc.) and extended learning opportunities during the regular school year and during the summer. By providing these programs and materials UDP students receive much needed additional instruction to support closing their individual learning gaps.

Enrichment Programs (Action 17): Research supports that UDP students are typically under identified for gifted services or enrichment opportunities. These actions and services are focused to ensure low income, English learners, and Foster Youth are identified for gifted and enrichment services at the same rate as their peers.

Professional Development Specialists Support (Action 19 & 23): Providing coaching to classroom teachers, by peers who excel in educational strategies and instructional pedagogy, is critical to improving classroom instruction and increasing the achievement of UDP students. Providing staff that are specialized in intervention services, technology, etc. to support small group student instruction are critical to providing effective intervention programs. These actions and services provide additional certificated staff members to serve as instructional coaches and intervention teachers to support creating environments that allow closing the achievement gap for our UDP students.

Goal 3:

Parent Engagement (Action 10): Often parents/guardians of UDP students are not familiar with the various processes and procedures associated with attending college or technical school. These actions allow for additional parent workshops specifically designed to support families of low income, English learners, and Foster Youth in tackling the path to college or technical school.

Goal 4:

At-Risk Student Support Services (Action 6): Providing staff to monitor and evaluate district-wide intervention programs and services is critical to ensuring that a system with 90% UDP students has programs and services that are effective. These actions are related to providing district-wide intervention opportunities specifically for UDP students and at coordinating district-wide parent engagement activities to support improvement for "at-risk" students.

Parent Engagement (Action 8): To ensure appropriate levels of family support for UDP students parents/guardians must be involved in the educational process. The actions and services here provide additional parent meetings or conferences, additional parent workshops, and additional parent engagement activities target to the specific needs of UDP students over an above the general supports provided in Goal 4.

Goal 5:

Expanded Programs (Action 5): Providing expanded programs for English learners is critical to supporting their maintenance of their primary language and culture. These actions and services provide for Dual Immersion programs, native speaker language courses, etc. so English Learners graduate bi-literate.

Interventions Programs & Materials (Action 6, 7, 8 & 9): Supporting students becoming proficient in English when their primary language is not English is important to the overall academic success of our English learners. By providing additional programs and materials that are targeted to meet the demands of learning English versus learning to read and write are critical to improving student achievement.

Parent Engagement (Action 10 & 11): The needs of English learner parents are as unique and varied as those of their students. Providing additional workshops and support activities that are targeted to parents, who are also English learners, is important in increasing the achievement of their students and allowing them to feel fully engaged in the school community.

Professional Development (Action 12): Working with the English learners is not unique to a specific grade level teacher or a specific subject matter teacher. All teachers, who have English learners in their classrooms, need to understand the demands of these learners and have the skills and strategies to support them learning both content and language effectively. These actions support professional development designed to address working with English learners over and above core subject professional development.

Instructional Support Staff (Action 13): Having support staff who speak the primary language of the student can be a key factor in the student progressing to independence in the new language - English. Providing additional support staff for these students is the main focus of this action.

LCAP Year: 2017-18

Estimated Supplemental and Concentration Grant Funds:

\$54,541,025

Percentage to Increase or Improve Services:

33.34%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds

([see instructions](#)).

CUSD has an unduplicated pupil count of approximately 90%. The high population of low income, foster youth and EL students in CUSD necessitates that many of the actions using supplemental and concentration funds are allocated to pursue district-wide and/or school-wide activities to improve the academic achievement of all students versus being specifically concentrated on a single subgroup. The actions and services, however, have all been included/designed to support the academic achievement and school success of the unduplicated populations and are principally directed towards those students.

While some funds were maintained centrally, a portion of the funding (approximately \$13 million; Goal 1 Action 26) of the allocation was provided to the school sites to address individual site needs in the areas outlined by the eight State Priorities and the District's LCAP goals to meet the needs of the unduplicated pupil groups specific to their individual school sites. Each site allocation was determined on a per pupil amount. The Single School Plan

(SPSA) development process is used to align the goals and actions within each site SPSA to those of the LCAP and the needs of its unduplicated pupil groups. Actions and services being implemented with the supplemental and concentration grant funds allocated to the school sites include the implementation of intervention programs, professional development for staff, materials & supplies needed for extended learning opportunities, and purchase of supplemental materials/programs that are tailored to low income students, English Learners and Foster Youth. All expenditures are processed through the district office using the categorical expenditure request system where proposed expenditures are monitored for focus, the most effective use of funding and to principally direct these services toward the unduplicated count students .

The following actions/services are identified as **LEA-wide** and are principally directed towards unduplicated students and are effective in increasing or improving services for these students:

Goal 1:

Assessment & Curriculum Development (Action 1 & 2): Providing ongoing targeted assessment that is aligned to a comprehensive district-wide curriculum plan ensures that UDP students have adequate and appropriate access to the instructional resources needed to close the achievement gap. These tools also ensure that intervention resources, over and above the core, are identified for teachers so they can use them to support the needs of UDP students. Finally, regular monitoring of student performance, at a granular level (i.e., by UDP sub-group), provide by these tools ensures students are receiving all of the support needed to achieve.

Enrichment Programs (STEM Programs, Arts, & PE) (Action 3, 4 & 5): Enrichment programs are critical to supporting the success of our unduplicated students. While Arts and Physical Education are part of the general curriculum and are provided appropriately to all students in CUSD, providing additional enrichment moments is important to furthering student engagement and achievement. Providing additional teachers to teach the enrichment activities is part of how the actions for all of these programs are achieved - arts, PE and STEM. Also, integration of science, technology, engineering, and mathematics (STEM) subject matter is key for students to develop the requisite skills needed for 21st Century learning environments and for 21st Century careers. Providing UDP students with multiple opportunities to participate in STEM related programs allows them opportunities that are not always found within the core instruction and allows them to develop skills that will help them be competitive in future academic and career pursuits. Programs such as Project Lead the Way (PLTW), Mesa, and or own Lego First Robotics program provide students with experiences they can apply to a variety of STEM related content. With these programs Foster Youth, low-income students, and EL students will be provided with experiences and language opportunities that are critical to enriching their schema and furthering their academic development.

Ed Tech Program & Staffing (Action 6, 7 & 8): Education in the 21st Century must include a rigorous technology program and provide for support of implementation of technology. Providing a combination of district-level and site-level staff to support the implementation of educational technology into regular classroom practices as well as develop new and innovative computer related courses is critical to providing UDP students with appropriate access to experiences and skills needed to achieve at high levels and to be competitive in future careers. The variety of program components (i.e., PD, coaching support, program development, etc.) and additional staffing available also allows UDP students to better access a wide variety of intervention programs and supports for closing the achievement gap, increasing their knowledge of English (for both EL and non-EL students), and providing engaging opportunities for these students that are equivalent to their middle and upper middle class peers.

Class-size (Action 11): Providing primary grades with lower class sizes (25:1 at K-1 and 26:1 at 2-3) allows for greater teacher student interaction to support increased achievement. English learners, low-income students, and foster youth students will experience smaller group settings allowing additional opportunities to interact directly with the teacher during instruction. These students will have additional time to respond to questions during whole class lessons as the ratio of student to teacher is lower. Research supports that UDP students can improve achievement through having these types of effective teacher/student interactions. District Collective Bargaining Agreement indicates a 30:1 ratio for K-3.

Extended School Day/Year (Action 14): Providing UDP students with additional instructional minutes through adding school days (CUSD has 183) to the school year and by providing longer school days (36 hours annually) supports improving student achievement by ensuring students have more instructional opportunities to learn the skills needed to close the achievement gap. EL students will benefit from additional time learning and using English, while foster youth students and low-income students will receive the benefits of additional instructional time to either enrich or intervene their skills depending on their individual needs. UDP students may not have access to extended learning opportunities outside of the school setting and by providing a longer school year and longer days, CUSD can help support equity in extended learning and intervention opportunities.

Supplemental Materials (Action 20 & 26): Availability of research-based intervention and supplemental resources, aligned to state standards and the core, provide UDP students with materials to address their specific needs. These supplemental materials enrich the

core instruction to allow low income, English learners, and Foster Youth opportunities to build schema and better understand complex content. Supplemental materials also allow teachers to address individual student learning needs by having additional intervention materials designed to support learning gaps.

Professional Development (Action 22, 24, & 25; Goal 2 Action 4): Facilitating that teachers have the most current and relevant professional development is key to ensuring they provide the most rigorous and appropriate lessons for students. Research shows that improved teacher effectiveness, through professional development, helps students achieve at higher levels, better understand content, and close the achievement gap. Ensuring that classified staff are highly trained to provide supplemental services to students is critical to providing robust instructional programs and intervention services. The training sessions provide staff with effective core strategies as well as strategies specific to supporting UDP students (i.e., GLAD training for those supporting EL students, reading interventions strategies for low-income and foster youth students, etc.).

Goal 2:

Safety (Action 5): Ensuring safe school campuses is critical to providing UDP students with the school environment best designed for learning. By providing additional school based security staff students have a healthier school environment to learn. This additional staff, in an urban setting, provide UDP students with an other adult they can look to for support on campus. This adult not only maintains a safe environment by patrolling the campus and enforcing safety rules, but he/she also support students with positive student to student interaction. They are mentors and leaders on the campus who can help all UDP students with accessing support services (i.e., health & wellness, language services, etc.). They also serve as support systems to our new-comer students as they are actively involved in ensuring safe home school passage and helping student to become part of a new school setting. When UDP students feel safe, well connected and have adult mentors at school their ability to engage in school increases and their student achievement also increases.

Behavior Intervention Programs (Action 6): Unduplicated students benefit from positive school climate as well as positive discipline systems. Providing a variety of programs to address the varied need of UDP students allows for schools/district to ensure students needs are met in a well-rounded multi-faceted approach of prevention and intervention activities (i.e., additional support with attendance/enrollment due to non-US schools transcripts eval, or additional foster youth support/counseling services needed for success, etc.).

Technology (Action 10): Providing a variety of technology tools for students is critical in ensuring that UDP students have full access to the learning tools necessary to close the achievement gap, provide intervention activities, and allow UDP students access to information that will enrich and expand their understanding of the world outside of their immediate neighborhood. Working towards a district-wide 1:1 access to technology also requires the supporting infrastructure is functioning at the highest level.

Goal 3:

College & Career Ready Programs (Action 2, 3, 4 & 8): Broadening access to courses and programs for UDP students is critical to having them have the same opportunities as other students. These actions and services provide extended access to course work/programs such as International Baccalaureate (IB), Advanced Placement (AP), Computer Science (CS), and Early College High School. The partnership that CUSD has with El Camino College for its Early College High School program also extends to college level enrichment/extension courses provided to students after school and during summer sessions. UDP students have a variety of opportunities to enroll concurrently in college while continuing in high school. Broadening access also includes the development of the various academies within our schools. Some schools are specializing in Project Lead the Way, some are working on robotics and STEAM, others are focused on being a center for the arts all in an effort to provide students with options/experiences/choices that will better prepare them for college and career. AVID plays a huge role in ensuring equity and access to college preparedness for out UDP students. Their experiences in the program elementary through high school help them to not only be ready for the demands of college but to explore the courses that will allow their college/career experience to be rich. Each action and service extends the access UDP students have to preparing for rigorous college work and expands their individual experiences to broaden their options/choices for the future. In addition, providing these programs that are interesting for students helps support maintaining their interest in school and future careers.

Career Technical Education (CTE) (Action 5, 6, & 7): Providing UDP students with opportunities to experience high yield, high wage, high growth career pathways is critical to their success following K-12 education. Having a large variety of the current 15 CTE pathways allows students to sample different

types of courses or to focus on building a strong foundation before entering a technical school or college/university after graduation. These pathways extend to our Adult School program where students can continue to access course work to support them both during high school and following graduation.

Experience in these types of programs also allows students opportunities for higher paying jobs and internships as they continue their education following the 12th grade.

Extended Counseling Services (Action 9): Lowering the student to counselor ratio allows UDP student to receive additional counseling services that include both academic as well as social emotional. It also allows students to develop meaningful relationships with these adult mentors to support student engagement in school and the community.

Goal 4:

Positive School Attendance Programs (Action 1, 2, & 3): Research supports that the more students attend school the better they achieve. UDP students have unique challenges that can impede their ability to attend school in a manner that promotes positive achievement. By establishing additional programs and services that regularly monitor and track UDP student attendance, provide interventions when regular attendance is a challenge, and celebrate positive attendance or improvement in attendance we can be certain students are receiving the instruction they need to be successful academically.

Wellness Initiative (Action 4): Creating a trauma informed and trauma sensitive environment for students is critical to providing them with the resources needed to overcome and cope with any adverse childhood experiences (ACES) they may encounter. Research supports that children with a high number of ACES or with even one severe instance have difficulty learning and participating in regular classroom settings without support. ACES are not limited to the 10 typically noted, but also include conditions that EL newcomers and others experience around moving to a new culture/country and experiencing the loss of friends, family, and familiar ways of life. ACES can be attributed to any severe life changing condition that effects ones overall sense of safety, security, consistency, etc. The actions and services associated with the Wellness Initiative provide students with the social emotional support and teachers with the skills and strategies for all to be successful in the academic process.

Parent Engagement (Action 7): Ensuring that parents of UDP students are fully aware of the skills and strategies necessary to help their children succeed in school to become college and career ready is an important piece in ensuring that students are support at home in a manner that will help them to be successful in school. Providing workshops, meetings, and courses to parents that are over and above the general parent/teacher conference, back-to-school night, or open house are important in assisting parents to both understand the content and strategies delivered to their students during the school day and equip them with the tools to support their students at home. Focusing on the unique needs of UDP students (i.e., language needs, achievement gaps, behavioral challenges, etc.) for parent workshops supports the UDP students both in and out of school by providing their parent or guardian with tools to meet their unique needs.

School Connectedness/Engagement (Action 11): Feeling connected to school is critical to maintaining positive school attendance, improving academic skills, and ensuring students graduate successfully. By expanding the programs and services or extra-curricular activities for students we ensure they develop a connectedness to school that keeps them working toward academic achievement. These programs and services also extend and enrich classroom learning to help students have a wide range of experiences (i.e., expand schema, develop social skills, and improve English language acquisition thru communication with peers) to draw from when in the classroom.

The following actions/services are noted as **limited** to unduplicated pupil groups and provide increased/improved services in the following manner:

Goal 1:

Foster Youth Services (Action 9 & 10): Providing staff specifically assigned to supporting the unique needs of Foster Youth and establishing a system of monitoring and tracking the success, needs, challenges, and services provided for our Foster Youth contributes to their overall success socially and academically. These actions and services provide additional attention and specialized services to our Foster Youth.

Intervention Programs & Materials (Action 12, 13, & 15): The intervention programs and materials described in these a actions and services are designed specifically to meet the unique learning needs of our UDP students by providing them with additional instructional tutors, access to effective research-based computer programs (i.e. Achieve 3000, IReady, etc.) and extended learning opportunities during the regular school year and during the summer. By providing these programs and materials UDP students receive much needed additional instruction to support closing their individual learning gaps.

Enrichment Programs (Action 17): Research supports that UDP students are typically under identified for gifted services or enrichment opportunities. These actions and services are focused to ensure low income, English learners, and Foster Youth are identified for gifted and enrichment services at the same rate as their peers.

Professional Development Specialists Support (Action 19 & 23): Providing coaching to classroom teachers, by peers who excel in educational strategies and instructional pedagogy, is critical to improving classroom instruction and increasing the achievement of UDP students. Providing staff that are specialized in intervention services, technology, etc. to support small group student instruction are critical to providing effective intervention programs. These actions and services provide additional certificated staff members to serve as instructional coaches and intervention teachers to support creating environments that allow closing the achievement gap for our UDP students.

Goal 3:

Parent Engagement (Action 10): Often parents/guardians of UDP students are not familiar with the various processes and procedures associated with attending college or technical school. These actions allow for additional parent workshops specifically designed to support families of low income, English learners, and Foster Youth in tackling the path to college or technical school.

Goal 4:

At-Risk Student Support Services (Action 6): Providing staff to monitor and evaluate district-wide intervention programs and services is critical to ensuring that a system with 90% UDP students has programs and services that are effective. These actions are related to providing district-wide intervention opportunities specifically for UDP students and at coordinating district-wide parent engagement activities to support improvement for "at-risk" students.

Parent Engagement (Action 8): To ensure appropriate levels of family support for UDP students parents/guardians must be involved in the educational process. The actions and services here provide additional parent meetings or conferences, additional parent workshops, and additional parent engagement activities target to the specific needs of UDP students over an above the general supports provided in Goal 4.

Goal 5:

Expanded Programs (Action 5): Providing expanded programs for English learners is critical to supporting their maintenance of their primary language and culture. These actions and services provide for Dual Immersion programs, native speaker language courses, etc. so English Learners graduate bi-literate.

Interventions Programs & Materials (Action 6, 7, 8 & 9): Supporting students becoming proficient in English when their primary language is not English is important to the overall academic success of our English learners. By providing additional programs and materials that are targeted to meet the demands of learning English versus learning to read and write are critical to improving student achievement.

Parent Engagement (Action 10 & 11): The needs of English learner parents are as unique and varied as those of their students. Providing additional workshops and support activities that are targeted to parents, who are also English learners, is important in increasing the achievement of their students and allowing them to feel fully engaged in the school community.

Professional Development (Action 12): Working with the English learners is not unique to a specific grade level teacher or a specific subject matter teacher. All teachers, who have English learners in their classrooms, need to understand the demands of these learners and have the skills and strategies to support them learning both content and language effectively. These actions support professional development designed to address working with English learners over and above core subject professional development.

Instructional Support Staff (Action 13): Having support staff who speak the primary language of the student can be a key factor in the student progressing to independence in the new language - English. Providing additional support staff for these students is the main focus of this action.

Expenditure Summary

Expenditures by Budget Category				
Budget Category	2017 Annual Update Budgeted	2017 Annual Update Estimated Actual	2018	2019
All Budget Categories	\$309,146,341	\$302,581,416	\$330,234,980	\$330,915,635
1000-1999 Certificated Salaries	121,403,023	118,974,964	129,831,654	131,339,536
