ARTICLE 4
DISTRICT RIGHTS

- 4.1 It is not the intention of the parties, in setting forth the following District rights, to detract or diminish in any way the rights of the Association or of unit members as set forth elsewhere in this Agreement. It is the parties' intention that the provisions of the other Articles of this Agreement constitute the only contractual limitation upon the District's rights and then only to the extent the contractual limitations are in conformance with the law.
- 4.2 It is understood and agreed that the District retains all of its powers and authority to direct, manage and control to the full extent of the law. Included in but not limited to those duties and powers are the exclusive right to: determine its organization; direct the work of its employees; determine the times and hours of operation; determine the kinds and levels of services to be provided and the methods and means of providing them; establish its educational policies, goals and objectives; ensure the rights and educational opportunities of students; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of District operations; determine the curriculum; build, move or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; contract out work; and take action on any matter in the event of an emergency. The District retains its right to amend, modify or rescind policies and practices referred to in this agreement in cases of emergency. Emergency as used herein, shall be defined as those conditions arising from an act of war, natural disaster, act of God, insurrection, revolution, flood, earthquake, riot, energy shortage, fire, plague, epidemic, quarantine, or other emergency beyond the control of the District which substantially interrupts or threatens to interrupt the District's normal operations.

- 4.4 The District and the Association agree to the formation of a joint committee to make recommendations regarding the implementation of bilingual education programs in the District.

ARTICLE 5

ASSOCIATION RIGHTS

- 5.1 All Association business, discussions, and activities will be conducted by unit members or Association Officials outside of established work hours as defined in Article 7 herein, Teaching Hours/Adjunct Duties.
- 5.2 Association representatives at individual schools may conduct Association business at their respective sites outside of established hours when:
- 5.2.1 The representative has obtained advance permission from the site administrator regarding the time, place and type of activity to be conducted;
- 5.2.2 The site administrator has verified that such requested activities and use of facilities will not interfere with the school programs and/or duties of unit members and will not directly or indirectly interfere with the right of unit members to refrain from listening or speaking with an Association representative.
- 5.3 The Association may conduct Association business on District property outside of established hours when the Association has obtained in advance a "Use of Facilities" permit from the District.
- 5.4 The Association shall continue to make use of designated bulletin boards at each school site for posting notices and other matters of Association concern. All postings must contain the date of posting and an authorization for posting by an authorized Association representative, except for printed materials clearly identified as having been prepared by CTA or NEA.
- The Association shall have the right to distribute through the various site mailboxes material dealing with the proper legitimate business of the Association. The Association agrees not to post or distribute information which is defamatory of District personnel.
- 5.5 Representatives of the Association, of the CTA, and of the NEA shall have the right to enter the schools to meet with unit members outside of established work hours to carry out appropriate Association business so long as the presence of the representatives will not interfere with the right of unit members to refrain from listening or speaking with an Association, CTA or NEA representative.

5.6 Access Rights and Contact Information

5.6.1 Definitions

5.6.1.1 Definition of "Contact Information": For purposes of this Section only, "contact information" shall be defined to include: name, job title, department, grade level/assignment, date of hire, employment status, work location, work telephone number, home telephone number (if applicable and/or available to the District), and personal cellular telephone number (if applicable and/or available to the District), personal email address (if applicable and/or available to the District), and home address (if applicable and/or available to the District).

5.6.1.2 Definition of a "Newly Hired Employee": For purposes of this Agreement, "newly hired employee," "new hire," or "new employee" means any employee, whether full-time or part-time, hired by the District into a CEA represented position, and who is still employed as of the date of the new employee orientation set forth in Article 5.6.3, below.

5.6.2 Employee Information

5.6.2.1 Provide CEA With New Hire Contact Information: On the 10th (or the first District business day after the 10th, if the 10th falls on a weekend or a holiday) of each month, the District shall provide to a CEA representative, designed in writing by CEA, with the contact information, as defined in Article 5.6.1.1 of any new hires hired in the previous calendar month. The contact information shall be provided electronically, in excel spreadsheet format or another mutually agreeable format.

5.6.2.2 Provide CEA With Periodic Update of Unit Member Contact Information: The District shall provide to a designated CEA representative a spreadsheet with bargaining unit member's contact information, as defined in Article 5.6.1.1, on the last working day of August, January, and June. The information shall

be provided to CEA electronically in excel spreadsheet or another mutually agreeable format.

5.6.2.3 The District will exclude, if applicable, the home telephone number, home address, personal email, and personal cellular phone number from the above contact information for any employee who provides a written request to the District that such information not be provided to CEA.

5.6.3 New Employee Orientation

5.6.3.1 The District shall provide CEA: (a) for new employee orientations taking place at the beginning of each school year, twenty-one calendar days' notice of the new employee orientation at which it will have access; and (b) for other new employee group orientations taking place during the school year, not less than 10 calendar days written notice of the designated new employee group orientation at which it will have access. The District may provide shorter notice where there is an urgent need critical to the District's operation that was not reasonably foreseeable. The District's notice will include the location of the orientation – whether a physical location or via online access for all employees scheduled to attend the new employee orientation – and the time set aside for CEA's access. CEA may also utilize means other than an in person presenter, e.g. a video presentation or slide show, for its portion of the new employee orientation. The District agrees to provide at least two (2) orientations per school year.

5.6.3.2 At the designated new employee orientation, CEA will be provided with no more than 30 minutes access to meet – consistent with Article 5.6.3.2.1 – with the new employee(s). The District will notify CEA of when its 30 minute access period will take place during the orientation. In addition, for physical location orientations, the CEA representative designated to provide the orientation will be provided up to 30 minutes of travel time, if necessary, for a

total of no more than 1 hour of paid release time. CEA will provide written notice of the CEA employee designated to provide the orientation.

5.6.3.3 Should bargaining unit employees attend the new employee orientation during the contractual work day set forth in Article 7.1, they shall be on paid time. If a bargaining unit employee attends the new employee orientation outside of the contractual work day set forth in Article 7.1, the bargaining unit employee will be paid at the extra duty rate set forth in Appendix A2. The number of hours the District will pay is based upon the actual length of the new employee orientation, e.g. if the new employee orientation is 1 hour in length, then an employee would receive pay for 1 hour.

5.6.3.4 Should CEA fail to attend the designated access period after receiving notice of the designated group orientation for new bargaining unit employees, no additional orientation access periods will be provided by the District for the employee(s). The preceding sentence does not impact CEA's access rights to meet with new bargaining unit employees subject to the requirements/limitations set out in Article 5.

5.6.4 Grievances

Any alleged violations, misinterpretations or misapplication of the terms of this Agreement shall be subject to the grievance provisions of Article 6 (Grievance Procedures) of the collective bargaining agreement, except that only CEA – through the CTA representative or CEA president – and not individual bargaining unit employees may file a grievance under this Agreement.

5.7 The District shall provide upon request, to a designated Association representative at each site, one copy of the Agenda for meetings of the Board of Trustees, except addenda and materials regarding closed sessions.

5.8 This Agreement shall not be construed to prohibit the Association from representing its unit members in their employment relations with the District, in accordance with section 3543.1 of

the Government Code. Released time will not be granted for representation in any such matter not subject to the Grievance Procedure herein.

5.9 The District agrees to provide thirty (30) unit member days of release time per school year to Association representatives for the purpose of conducting Association business in furtherance of the objectives in section 3540 of the Government Code. The availability of the released time shall be subject to the following conditions:

5.9.1 Within a reasonable amount of time prior to the desired date of released time, the Association must submit a written request for released time to the District, identifying the names(s), title(s), and work site(s) of the Association representatives(s) for whom released time is being requested.

5.9.2 The District retains the right to deny use of released time at the requested time if the unit member's absence from duty at that time would impair the efficiency of the District's operations.

5.10 All Association requests for documents and other information from the District shall be submitted to the appropriate department in writing and a copy to the Assistant Superintendent of Human Resources or his/her designee.

ARTICLE 6

GRIEVANCE PROCEDURE

- 6.1 **Definitions:** A "grievance" is a claim by a unit member that he/she has been adversely affected by an alleged violation, misinterpretation, or misapplication of a specific provision of the Agreement.
- 6.1.1 An "aggrieved person" or "grievant" is the person or persons making the claim. The Association may be the grievant.
- 6.1.2 A "party in interest" is any person who might be required to take action or against whom action might be taken in order to resolve the claim.
- 6.1.3 "File" or "filed" means that the grievance or request for arbitration must be personally delivered to the appropriate person set forth in the applicable level of the grievance procedure within the time limits set forth in this Article, or must be transmitted to the appropriate person by certified mail within the time limits set forth in this Article. The date of filing when the grievance is filed by certified mail shall be deemed to be the date of mailing.
- 6.1.4 "Respond in writing" means that the District's response to the grievance must be personally transmitted to the grievant or grievant's representative within the time limits set forth in this Article, or the response must be transmitted by certified mail within the time limits set forth in this Article to the grievant at the grievant's address of record on file with the Human Resources Department, or to the grievant's representative. The date of response for a response transmitted by certified mail shall be deemed to be the date of mailing.
- 6.2 **Purpose:** The purpose of this procedure is to resolve at the lowest possible administrative level problems which may arise from time to time regarding the terms of this Agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

6.2.1 Since it is important that grievances be processed as rapidly as possible the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. Time limits shall consist of days during which the central office is open for business, except that when a grievance is filed subsequent to May 1st and prior to the end of the school year; the time limits shall be regarded as calendar days. Any time limits affected by the winter or spring breaks shall be extended by five (5) days. All time limits may be extended by expressed mutual agreement of the parties, but only if the extension agreement is in writing. Failure of the District to respond to a grievance within the time limits set forth in Sections 6.4, 6.5, and 6.6, below, or any written extension, shall entitle the grievant to proceed to the next level of the grievance procedure, except that (a) failure of the District to timely respond shall not waive the District's defense that the grievance was untimely filed at any level of the grievance process and (b) failure of the District to timely respond at Level Three shall not waive the District's defense that the grievance is not arbitral or any of the District's substantive defenses.

6.2.2 Nothing contained herein shall be construed as limiting the right of any unit member having a grievance to discuss the matter informally with any appropriate member of the administration, and to have the grievance adjusted without intervention by the Association, provided that the resolution is not inconsistent with the terms of this Agreement and that the District shall not agree to resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.

6.3 **Procedure - Informal Level:** Within fifteen (15) days of the act or omission giving rise to the grievance or within fifteen (15) days of the date the grievant should have reasonably known of the act or omission, the grievant must discuss the grievance with his/her immediate supervisor. The immediate supervisor shall respond to the grievance orally or in writing within five (5) days of the discussion. If the grievant elects to be represented by the Association at the Informal Level of the

grievance procedure, the supervisor may request the grievant to proceed directly to the Formal Level One of the grievance procedure.

6.4 **Formal Level One:** If the grievant is not satisfied with the disposition of the grievance at the Informal Level the grievant may file the grievance in writing with the immediate supervisor within ten (10) days after meeting with the immediate supervisor. The grievance shall specify the Article and Section of the contract allegedly violated, the circumstances involved, the decision rendered at the Informal Level and why it is not satisfactory, and the specific relief sought. If the grievance fails to specify this information, the grievance shall not be entitled to processing at any time, shall not proceed to arbitration, except in accordance with Section 6.8 below, and shall be deemed withdrawn.

6.4.1 The immediate supervisor may request a personal conference with the grievant at this level. The immediate supervisor shall respond in writing within twelve (12) days after receipt of the Formal Level One Grievance.

6.5 **Formal Level Two:** If the grievant is not satisfied with the disposition of the grievance at Formal Level One, or if no response has been rendered by the immediate supervisor within the time limits specified for the response at Formal Level One, the grievant has until the earlier of (a) ten (10) days following the last day on which the response at Formal Level One is due, or (b) ten (10) days following the date of the response at Formal Level One, to file the grievance in writing with the appropriate Cabinet level Administrator. The grievance shall specify the Article and Section of the contract allegedly violated, the circumstances involved, the decision rendered at Formal Level One and why it is not satisfactory, and the specific relief sought. If the grievance fails to specify this information, it shall not be entitled to processing at any time, shall not proceed to arbitration, except in accordance with Section 6.8 below, and shall be deemed withdrawn. The Cabinet Level Administrator shall respond in writing within twelve (12) days after receipt of the Formal Level Two Grievance.

6.6 **Formal Level Three:** If the grievant is not satisfied with the disposition of the grievance at Formal Level Two, or if no response has been rendered by the Cabinet Level Administrator within

the time limits specified for the response at Formal Level Two, the grievant has until the earlier of (a) ten (10) days following the last day on which the response at Formal Level Two is due, or (b) ten (10) days following the date of the response at Formal Level Two to file the grievance in writing with the Superintendent/Designee. The grievance shall specify the Article and Section of the contract allegedly violated, the circumstances involved, the decision rendered at Formal Level Two and why it is not satisfactory, and the specific relief sought. If the grievance fails to specify this information, it shall not be entitled to processing at any time, shall not proceed to arbitration, except in accordance with Section 6.8 below, and shall be deemed withdrawn. The Superintendent/Designee may request a personal conference with the grievant at this level. The Superintendent/Designee shall respond in writing within twelve (12) days after receipt of the Formal Level Three Grievance.

6.7 **Formal Level Four:** If the grievant is not satisfied with the disposition of the grievance at Formal Level Three, or if no response has been rendered by the Superintendent/Designee within the time limits specified for the response at Formal Level Three above, the grievant may request in writing that the Association submit the grievance to arbitration. The Association has until the earlier of: (a) ten (10) days following the last day on which the response at Formal Level Three is due; or (b) ten (10) days following the date of the response at Formal Level Three to request in writing that the grievance be submitted to arbitration by filing the request with the Superintendent/Designee. The decision to submit the grievance to arbitration lies with the Association and not with the individual grievant.

6.7.1 The parties shall select a mutually acceptable arbitrator. If the parties are unable to agree on an arbitrator within five (5) days of the Association's submission of the grievance to arbitration, the California State Conciliation Service shall be requested to submit a list of five (5) names of persons experienced in arbitration of grievances in educational institutions. Within five (5) days after receipt of the list of names, each party shall alternately strike names until only one (1) name remains. The order of striking shall be determined by the flip of a coin. The arbitrator shall proceed under

the Voluntary Arbitration Rules of the American Arbitration Association. The Association and the District may mutually agree to utilize expedited procedures.

6.7.2 The arbitrator shall receive evidence and arguments promptly after his/her selection by the parties and, within thirty (30) calendar days from the close of the record, shall render a final and binding award on the issue(s) submitted to him/her.

6.7.3 If the parties cannot agree upon a statement of the issue(s), the arbitrator shall determine the issue(s) by referring to the grievance and the answers thereto at each level or by referring to each party's separate statement of the issue(s).

6.7.4 The arbitrator will have no power to add to, subtract from or modify the terms of this Agreement or the written policies, rules, regulations and procedures of the District. After the arbitrator has afforded an opportunity for hearing, the arbitrator shall render a written decision setting forth findings of fact, reasoning and conclusions on the issue(s) submitted and the award. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The arbitrator shall have no power to make any award contrary to law.

6.7.5 Nothing herein shall be construed to prohibit either party from seeking judicial review of a final and binding award which the party believes is violative of the terms of this Agreement or violative of law.

6.8 **Miscellaneous:** When an issue of arbitrability arises, the parties may immediately submit the issue to arbitration. Arbitrability issues shall be resolved before the arbitrator receives evidence or arguments on the merits of the grievance.

6.8.1 All costs for the services of the arbitrator, including but not limited to per diem expenses, travel and subsistence expenses and the cost of any hearing room will be borne equally by the District and the Association. All other expenses shall be borne by the party incurring them.

6.8.2 No reprisals shall be taken by or against any participants in the grievance procedure

because of such participation.

- 6.8.3 A unit member may be represented at all formal levels of the grievance procedure by himself/herself, or at his/her option, by the Association or its representative. If the unit member is not represented by the Association, the Association will be given the opportunity to file a response regarding the proposed resolution of any grievance.
- 6.8.4 No grievance shall be processed unless it is presented at the Informal Level within the time limits specified in Section 6.3 above.
- 6.8.5 Decisions rendered at the formal levels of the grievance procedure will be in writing setting forth the decisions and the reasons therefore and will be transmitted promptly to all parties in interest. Time limits for appeal provided in each level shall begin the day following receipt of the written decision by the grievant.
- 6.8.6 When two (2) or more unit members have a grievance based upon the same or essentially the same issues and circumstances, the grievances shall be processed as a single grievance and may be presented at Formal Level Two within the limits specified for filing a grievance at the Informal Level. Such grievance shall be processed by a single representative.
- 6.8.7 All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and will not be kept in the personnel file of any of the participants.
- 6.8.8 Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the District and the Association so as to facilitate operation of the grievance procedure. The costs of printing such forms shall be borne by the District.

ARTICLE 7

TEACHING HOURS/ADJUNCT DUTIES

- 7.1 The length of the unit member's work day shall be no more than seven (7) hours (excluding Psychologists, Clinical Psychologists, and Clinical Social Workers who work 8 hour days), including lunch, except when assigned adjunct duties as defined below.
- 7.2 Adjunct duties – which are duties that the District assigns and are completed outside of the bargaining unit employee's 7-hour workday – for all bargaining unit employees, excluding Psychologists, Clinical Psychologists, and Clinical Social Workers shall be defined as:

- 7.3 The adjunct duties of unit members assigned to elementary schools shall be limited to thirty-five (35) hours per year except if the District assigns a unit member to complete adjunct duties beyond thirty-five (35) hours per year, in which case the District shall compensate the unit member for such hours in excess of 35 at the "Other Extra Duty Assignment" rate found in Appendix A2. The hours shall be used in fifteen (15) minute increments.
- 7.4 The adjunct duties of unit members assigned to middle school and high schools shall be limited to forty (40) hours per year except if the District assigns a unit member to complete adjunct duties

beyond forty (40) hours per year, in which case the District shall compensate the unit member for such hours in excess of 40 at the “Other Extra Duty Assignment” rate found in Appendix A2. The hours shall be used in fifteen (15) minute increments.

7.5 With respect to the, as applicable, 35 or 40 hours of adjunct duties set out in Article 7.3 and 7.4, the District may require bargaining unit employees to perform the adjunct duties set out in Article 7.2.

7.6 Assignment of Additional Adjunct Duties

7.6.1 With respect to adjunct duties set out in Article 7.2.1 and 7.2.5, to the extent that a bargaining unit employee has completed their, as applicable, 35 or 40 hours of adjunct hours for a school year, and the District has a need for bargaining unit employees to complete adjunct duties, the District will first request that qualified bargaining unit employees accept an adjunct duty assignment. If no bargaining unit employee accepts the assignment, then the District may require the least senior qualified bargaining unit employee(s) to perform the adjunct duty assignment. The assignment of the least senior qualified employee will be done on a rotating basis, e.g. the first time the language is utilized, the least senior qualified employee will be given the assignment and the second time, the second least senior qualified employee will be given the assignment, etc. Bargaining unit employees who work beyond the 35 or 40 hours of adjunct hours for a school year shall be paid at the “Other Extra Duty Assignment” rate found in Appendix A2.

7.6.2 With respect to adjunct duties set out in Article 7.2.3 and 7.2.4, to the extent that a bargaining unit employee has completed their, as applicable, 35 or 40 hours of adjunct hours for a school year, and the District has a need for bargaining unit employees to complete adjunct duties, the District will first request that qualified bargaining unit employees at the site where the adjunct duty work is located, accept an adjunct duty assignment. If no bargaining unit employee accepts the assignment, then the District may require the least senior qualified bargaining unit employee(s) at the applicable site

to perform the adjunct duty assignment. The assignment of the least senior qualified employee will be done on a rotating basis, e.g. the first time the language is utilized, the least senior qualified employee will be given the assignment and the second time, the second least senior qualified employee will be given the assignment, etc. Bargaining unit employees who work beyond the 35 or 40 hours of adjunct hours for a school year shall be paid at the "Other Extra Duty Assignment" rate found in Appendix A2.

- 7.7 The length of a unit member's day when assigned adjunct duties in the areas of faculty, departmental, grade level meetings, professional growth activities including staff development or inservice (other than compensatory educational staff development or inservice) program development, and parent conferences shall be limited to eight (8) hours. The site administrator shall provide at least forty-eight (48) hours' notice of a faculty meeting.
- 7.8 The length of a unit member's day when assigned adjunct duties including voluntary committee assignments, site councils, and ELAC shall not be limited to eight (8) hours.
- 7.9 Unit members assigned to elementary schools shall report to work thirty (30) minutes prior to the beginning of the student instructional day. The site administrator may, after consultation with the unit members at those locations, adjust the time that unit members shall report to work on days that faculty, department, grade or District meetings are to be held or on days that in-service or staff development is to be held, provided the requirements of Sections 7.1 through 7.7 above are adhered to.
- 7.10 Unit members assigned to middle and high schools shall report to work fifteen (15) minutes prior to the beginning of the student instructional day.
- 7.11 Unit members may voluntarily perform duties beyond the seven (7) hour day, but this time shall not count as assigned adjunct duty time. Administrators shall not request volunteers for adjunct duties as defined in Section 7.2.
- 7.12 Each unit member shall be entitled to a duty-free, uninterrupted lunch period of thirty (30) minutes.
- 7.13 Middle and high school unit members shall be provided a preparation period of not fewer than

Administrative assignments shall be limited, except in cases of student safety related emergencies, to less than one-half (1/2) of the unit member's preparation period.

7.13.1 Utilization of the Preparation Period as a Teaching Period. Compensation for this agreement shall be paid at the per diem rate of the teacher (the per diem hourly rate is based on the present salary of the individual, see Salary Schedule, Appendix A) following the close of each quarter. The unit member may contract to teach for a minimum of one (1) semester (or part of a semester depending upon the need of the District) but no more than one (1) year, subject to renewal on a semester to semester basis. Acceptance of this assignment by the unit member shall waive the right of the unit member to the two hundred (200) minutes of preparation time per week in Section 7.10 of this Agreement.

7.13.2 Compensation for teaching during the preparation period shall be paid at the per diem hourly rate. The teacher will be compensated for each day taught. Any such paid time shall not count against assigned adjunct duty time as described in 7.4 above.

ARTICLE 8

TRANSFERS

8.1 Definitions:

8.1.1 A transfer is defined as the relocation of a unit member between schools or other administrative departments. Transfers fall into two categories:

8.1.1.1 Involuntary transfers that are initiated by the District.

8.1.1.2 Transfers that are initiated at the request of the unit member on a voluntary basis.

8.1.1.3 The District shall have the authority to transfer a unit member from one school or administrative site to another school or administrative site, subject to the procedures set forth in this Article.

8.1.2 Reassignment: A reassignment is a change to a unit member's assignment, e.g. a change in grade level, subject area, etc. and which may also involve a change in worksite or administrative department. A reassignment may take place for classroom teaching positions and non-classroom teaching positions; however, reassignments for clinical social workers, clinical psychologists and psychologists are governed by Article 30.

8.1.3 A "vacancy" is a position which the District determines is to be filled at a site or administrative division by a person who is not currently assigned to that site or administrative division.

8.2 Posting:

8.2.1 By April 1st the District shall notify all unit members through an electronic platform of all known unit position vacancies available for the next school year. The notices shall state a deadline for application, which shall not be less than ten (10) working days after posting. The District shall provide notice of the vacancies to the Association. In cases where unit position vacancies become available after April 1st, the District may fill such positions – without posting – with a substitute (long-term or day-to-

day) or temporary employee until the vacancy is filled and/or via a reassignment/transfer.

8.2.2 In cases where the vacancy occurs after the school year has commenced, the District may fill the position temporarily with a substitute (long-term or day-to-day) or temporary employee until the vacancy is filled and/or via a reassignment/transfer.

8.2.3 Nothing in this Article precludes the District from simultaneously providing notice of a vacancy or vacancies to CEA unit members and posting the vacancy externally.

8.3 Involuntary Transfers: Where appropriate to the circumstances, all unit members being involuntarily transferred shall have equal opportunity for interviews for existing vacancies. In the event that a specially funded program is discontinued, affected unit members shall be provided a list of current vacancies if there is more than one vacancy the unit member is qualified/certificated to fill.

8.3.1 Involuntary transferees will have first opportunity over unit member initiated transferees to interview for available vacancies. When a choice of positions is available, unit members may indicate an order of preference for appropriate consideration.

8.3.2 An opportunity must be provided for the unit member to meet with the administrator recommending the transfer prior to affecting the proposed transfer and be advised in writing of the reasons for recommending such transfer. The unit member may file a written response to the reasons given. This response will be placed in the unit member's personnel file if so requested by the unit member. If the bargaining unit employee has additional questions after being provided with the written reasons provided by the administrator recommending the transfer, the bargaining unit employee may request a conference with the Director of Human Resources.

8.3.3 The following criteria shall be considered when involuntary transfers are made:

8.3.3.1 Credential authorization;

8.3.3.2 Major or minor field of study;

- 8.3.3.3 The educational goals of the District;
- 8.3.3.4 Quality of performance based on formal written evaluation in the official personnel record; and
- 8.3.3.5 Variety of professional experience and assignments.

8.3.4 The following order of priorities shall be applicable to all transfers:

- 8.3.4.1 All transfers shall be made on the basis of the best possible educational program for students consistent with adopted District policy.
- 8.3.4.2 Consideration will be given to the personal feelings of the unit member affected by the transfer.
- 8.3.4.3 Other factors being equal, inverse seniority with the District shall determine who is to be transferred.

8.3.5 Where an involuntary transfer is being made to provide the unit member an opportunity to improve upon his/her performance, the provisions of Section 8.3 of this agreement shall not apply. Such transfer shall be limited to once every three (3) years.

8.3.6 In the event there is a circumstance, which in the sole discretion of the District, necessitates a unit member being transferred/reassigned, the District may initiate an involuntary transfer/reassignment. Such transfers/reassignments shall not be governed by Article 8.3, except that the District will provide written notice of the transfer/reassignment to the unit member.

8.3.7 Involuntary transfers shall not be done for arbitrary and/or capricious reasons.

8.4 Voluntary Transfer - Unit Member Initiated: Unit members may request a transfer by submitting an application for transfer to the Human Resources by March 31st of the school or program year.

8.4.1 The filing of a Request for Transfer shall be without prejudice to the unit member and shall not jeopardize their present assignment. The Request for Transfer may be withdrawn at any time prior to official confirmation that the transfer has been effected. A transfer has been effected at the time the receiving site administrator, the applicant, and the Human Resources Department concur to the transfer.

8.4.2 Consideration shall be given to all applications for transfer which are properly submitted.

8.5.3 All requests for voluntary transfers shall be considered by the site administrator on the basis of the criteria specified in Section 8.3.3 above.

8.5 Assistance in Assignment Change: Where there is a change in assignments, whether by transfer or by movement within a school, District administrators may authorize a reasonable period of non-teaching preparation time of up to two (2) days when it appears that the transition will necessitate substantial reorganization or preparation. The District will provide reasonable assistance in moving teaching materials to the unit member's new location.

8.6 Assignment Changes: Unit members shall be notified of their tentative assignments for the coming year prior to the last workday in May of the current work year. A unit member shall be notified by District email of any change in the tentative assignment by the originator of the change. Prior to making any final decision regarding the change in a unit member's current assignment and/or schedule within a school or administrative division to another assignment within the same school or administrative division, the unit member's immediate supervisor or their designee shall attempt in good faith to discuss the proposed change with the unit member. The administration shall consider any alternative way of handling the situation if the unit member objects to the proposed change in assignment.

8.7 Nothing contained in this Article shall in any way limit the District's discretion to fill a vacancy with an employee from outside the District.

ARTICLE 9

9.8.6 A unit member shall have a period of five (5) days following the meeting to discuss the evaluation and to prepare and submit a written reaction or response to the evaluation. Such response will become a permanent attachment to the evaluation and be placed in the unit member's personnel file.

9.8.7 Unit members shall not evaluate other unit members.

9.8.8 None of the aforementioned shall be construed to mean that the California State Teaching Standards or the evaluator's judgment regarding the level of performance of a unit member shall be subject to the grievance procedure. Those matters as well

as all other substantive matters regarding evaluation are expressly excluded from the grievance procedure.

9.9 Parent and Citizen Complaints: When the evaluator or immediate supervisor receives a parent or citizen complaint regarding the unit member which may be relevant to evaluation of the unit member, the unit member will be notified of the complaint and the unit member will be given an opportunity to discuss and to resolve the matter, if possible, with the complaining party. If deemed desirable or necessary by the immediate supervisor or the unit member, the evaluator may take part in the conference. 9.10.3 Information of a derogatory nature, except material mentioned in 9.11.1, shall not be entered or filed unless and until the unit member is given notice and an opportunity to review and comment thereon. A unit member shall have the right to enter, and have attached to any such derogatory statement his/her comments thereon. Such review shall take place during normal business hours, and the unit member shall be released from duty for the purpose without salary reduction.

9.10.4 A unit member may be accompanied by his/her representative at such time as he/she is given an opportunity to review the material in his/her personnel file. No release time shall be granted the representative.

9.10.5 Upon presentation of written authorization from the unit member, an Association representative may review that unit member's official personnel file without being accompanied by the unit member.

9.11 Non-School Related Activities: Evaluation of a unit member's performance shall be predicated upon lawful, non-school related personal activities which have no impact on the unit member's effectiveness as an employee.

Unit members are also encouraged to report any incident of an assault directly to law enforcement, including the school police, and to CEA.

- 12.1.3 A unit member on an approved leave without pay may continue enrollment in health and welfare benefit plans by paying the required premiums in a periodic manner as required by the District.
- 12.1.4 Attached to this Agreement as Appendix M is a chart that summarizes certain leaves of absences that may be available to bargaining unit employees. The purpose of providing the chart is to provide a summary of the leaves covered in the chart. The chart, however, is not comprehensive and bargaining unit employees and District administrative employees should refer to the specific provisions of Article 12. The District may periodically amend/update, as necessary, the chart and, in such cases, will provide CEA with a copy of the amended/updated chart. While attached to this Agreement, Appendix M or any updated versions of it will not be subject to the grievance procedure set out in Article 6 (Grievance Procedures).
- 12.2 SPECIFIC LEAVE CATEGORIES - PERSONAL ILLNESS AND INJURY LEAVE: Full-time unit members shall be entitled to ten (10) days leave with full pay for each school year for the purposes of personal illness or injury. If the unit member needs to extend their absence under this Section, the unit member must provide notice to the District as soon as the unit member becomes aware that they need to extend their absence and, at a minimum, such notice must be provided at least 2 hours before the unit member's duty day begins, unless such notice cannot be provided due to emergency/extenuating circumstances and then notice must be provided as soon as practicable. sum that is actually paid a substitute employee or, if no substitute employee was employed, the amount that would have been paid to the substitute had a substitute been employed. The sick leave, including accumulated sick leave, and the differential sick leave (five-month) period shall run consecutively. A unit member shall not be provided more than one five-month period per illness or injury. However, if a school year terminates before the five-month period is exhausted, the unit member may take the balance of the five-month period in a subsequent school year.

12.2.8 When a unit member has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of illness or accident for a period beyond the five-month period provided herein, and the unit member is not medically able to resume the duties of their position, the unit member shall, if not placed in another position, be placed on a reemployment list for a period of twenty-four (24) months if they are on probationary status, or for a period of thirty-nine (39) months if they are on permanent status. When the unit member is medically able, during the twenty-four (24) or thirty-nine (39)-month period, the unit member shall be returned to employment in a position for which they are credentialed and qualified. The 24- month or 39-month period shall commence at the expiration of the five-month period provided herein.

12.3 Bereavement Leave: Upon a unit member's request to his/her immediate supervisor, a unit member shall be entitled to use a maximum of three (3) days of leave with pay (or five (5) days of leave with pay, if travel beyond a 300 mile radius is required) on account of the death of any member of their immediate family. Immediate family, as used for purposes of this section, shall be defined as mother; father, mother-in-law, father-in-law, spouse, registered domestic partner, son, daughter, grandfather, grandmother, son-in-law, daughter-in-law, brother, sister, brother-in-law, sister-in-law, granddaughter, grandson, stepson, stepdaughter, stepfather or stepmother of the unit member, or foster child, foster parent, or legal guardian of the unit member, or any relative living in the immediate household of the unit member.

12.3.2 The District may grant additional bereavement leave where travel is required or where other extenuating circumstances are involved.

12.4 Personal Necessity Leave:

12.4.1 A unit member may utilize not more than eight (8) days of his/her accumulated sick leave for the following personal emergencies:

12.4.1.4 Acute illness of a member of their immediate family requiring professional treatment or hospitalization and of such a serious nature as to require the absence of the unit member during their working day. The District may require the statement of a physician certifying that the family member has a serious acute illness/injury that requires/required hospitalization or professional treatment – while not disclosing the underlying diagnosis.

12.4.1.5 Imminent danger to the home of the unit member occasioned by a factor such as flood or fire, serious in nature and which requires the absence of the unit member during his/her working day.

12.4.2 If the need to be absent is known in advance, the unit member must obtain prior approval from the District and must submit the request utilizing the District's online or other applicable leave of absence system as well as to the site administrator. When the need to be absent is not known in advance, the unit member must notify the District of the absence by utilizing the District's online or other applicable leave of absence system as well as to the site administrator. at least 2 hours before the unit member's duty day begins, unless such notice cannot be provided due to emergency/extenuating circumstances and then notice must be provided as soon as practicable.

12.4.3 When reporting an absence, the unit member must identify the initial number of days they are requesting to use personal necessity time for. If the unit member needs to extend their absence under this Section, the unit member must provide notice to the District as soon as the unit member becomes aware that they need to extend their absence and, at a minimum, such notice is needs to be provided at least 2 hours before the unit member's duty day begins, unless such notice cannot be provided due to emergency/extenuating circumstances and then notice must be provided as soon as practicable.

12.5 Jury Service Leave: A jury service leave shall be granted to a unit member who has been officially summoned to jury duty in either a State or Federal Court. Request for jury service leave should be made by presenting the official court summons to jury service to the immediate supervisor and request the time off utilizing the District's online or other applicable leave of absence system.

12.5.1 Leave shall be granted for the period of the jury service.

12.5.2 The unit member shall receive full pay while on leave provided the jury service fee for such leave is assigned to and the subpoena or court certification is filed with the District. The unit member shall be entitled to retain any expenses for parking, mileage, food, or other expenses incidental to jury service.

12.5.3 A unit member on jury service leave shall notify the District of his/her intent to be, at

work on the next workday, if possible, by 2:00p.m. If it is not possible to give such notice by 2:00 p.m. then the unit member shall notify the District utilizing the District's online or other applicable leave of absence system, that they intend to be at work the next day.

12.5.4 The District affirms the desirability of uninterrupted service. Therefore, in the instance of jury duty, if a unit member has been requested (not volunteered) to serve on jury duty during a normal workday, and chooses to obtain deferment of jury service to a holiday and/or unpaid vacation days, the District will pay that unit member thirty dollars (\$30.00) per day for each day the classroom teacher serves on deferred jury duty during a holiday or unpaid vacation day rather than a normal workday, to a maximum of three hundred dollars (\$300.00) per school year. To be eligible for such payment: (1) the unit member must obtain and submit to the District a written statement from the court indicating the dates for which jury service was required, and that deferment of jury service was requested by the unit member and has been rescheduled to the holiday or unpaid vacation days, and (2) upon completion of jury duty, the unit member must obtain and submit to the District a written statement from the court verifying the number of actual days on jury duty. These written statements must be submitted to and received by the District's Business Office no later than ten (10) working days after the completion of the deferred jury duty service for the unit member to be eligible for payment. On days in which the unit member is excused from jury duty, the unit member will not be eligible for any payment. Any unit member serving in a position for which a substitute is not normally obtained by the District will not be eligible for deferment remuneration under this Section.

12.6 Personal Leave: At the discretion of the District, a personal leave may be granted to a unit member for personal reasons, e.g., matrimony, family illness, urgent business affairs (such as house purchase closing settlements, appearance as witness to wills and similar legal matters, appearance when wills involving the unit member are being probated), or religious holidays. This

provision is not intended to grant a leave for the purpose of attending or participating in a meeting of an "employee organization" or other meetings or activities with respect to employer-employee relationships."

12.6.1 The maximum leave shall be twenty (20) consecutive working days without pay and a maximum of three (3) days with pay, chargeable to earned sick leave allowed during the year. No salary will be paid by the District for days exceeding three (3) in any one (1) school year for this purpose.

12.6.2 When the reason for use of personal leave is not of an emergency nature, prior notice must be given to the school site administrator/supervisor before taking personal leave.

12.7 Witness Leave: A witness leave shall be granted to allow a unit member, to appear as other than a litigant in the case, in response to a duly served subpoena.

12.7.1 Leave will be granted for the number of days specified in the subpoena or all days of attendance in court as certified by the clerk or other authorized officer of such jury or court.

12.7.2 The unit member will receive full pay during the period of leave provided the witness fee for such leave is assigned to and the subpoena or court certification is filed with the District.

12.7.3 Request for witness leave should be made by presenting the official court summons to appear as a witness to the immediate supervisor.

12.8 Family Care and Medical Leave

12.8.1 To be eligible for leave under the FMLA ("Fed-FMLA") and CFRA (collectively "FMLA Leave") pursuant to Title 29 USC section 2601 and California Government Code section 12945.2, employees must have: (1) completed twelve months ~~one year~~ of service for the District; and (2) worked at least 1,250 hours during ~~over~~ the previous 12-months as of the start of the leave.

12.8.2 Reasons For Leave

State and federal laws allow FMLA Leave for various reasons. Because an

employee's rights and obligations may vary depending upon the reason for the FMLA Leave, it is important to identify the purpose or reason for the leave. Fed-FMLA leave and CFRA leave run concurrently except for the following reasons: to care for a child without regard to age or dependency status, registered domestic partner, ~~or~~ a child of a registered domestic partner, grandparent, grandchild, or sibling (CFRA only), incapacity due to pregnancy or prenatal care as a serious health condition (Fed-FMLA only), qualifying exigency leave as defined under the FMLA (Fed-FMLA only), qualifying exigency leave as defined under the CFRA (CFRA only), and military caregiver leave (Fed-FMLA only). FMLA Leave may be used for one of the following reasons, in addition to any reason covered by an applicable state family/medical leave law:

- 12.8.2.1 the birth, adoption, or foster care of an employee's child within 12 months following birth or placement of the child ("Bonding Leave");
- 12.8.2.2 to care for an immediate family member (spouse, child, parent and for CFRA Leave: registered domestic partner, child of a registered domestic partner, grandparent, grandchild, or sibling) with a serious health condition ("Family Care Leave");
- 12.8.2.3 an employee's inability to work because of a serious health condition ("Serious Health Condition Leave");
- 12.8.2.4 a "qualifying exigency," as defined under the FMLA, arising from a spouse's, child's, or parent's "covered active duty" (as defined below) as a member of the military reserves, National Guard or Armed Forces or as defined under the CFRA, related to the covered active duty or call to covered active duty of an employee's spouse, domestic partner, child, or parent in the Armed Forces of the United States_ ("Military Emergency Leave"); or
- 12.8.2.5 to care for a spouse, child, parent or next of kin (nearest blood relative) who

is a “Covered Servicemember,” as defined by the FMLA (“Military Caregiver Leave”).

12.8.3 Leave Length

12.8.3.1 If the reason for leave is common to both Fed-FMLA and CFRA and, therefore, running concurrently, the maximum amount of FMLA Leave will be 12 workweeks in any 12-month period. If the reason for leave is not common to both Fed-FMLA and CFRA and, therefore, not running concurrently, then an eligible employee may be entitled to additional leave under applicable law.

For purposes of FMLA Leave eligibility determinations, the 12-month period is measured using the District’s fiscal year of July 1st through June 30th. Employees may not carryover unused FMLA/CFRA time from one fiscal year to the next fiscal year, e.g. if an employee used 8 weeks of FMLA/CFRA leave in a fiscal year, they will not carryover the remaining 4 weeks of time and will start the next fiscal year with – as long as they are eligible – the ability to take up to 12 weeks of FMLA/CFRA leave (not including military caregiver leave).

12.8.3.2 The maximum amount of FMLA Leave for an employee wishing to take Military Caregiver Leave will be a combined leave total of twenty-six (26) workweeks in a single 12-month period. A “single 12-month period” begins on the date of the employee’s first use of such leave and ends 12 months after that date.

If both spouses work for the District and are eligible for leave under the Fed-FMLA, the spouses will be limited to a total of 26 workweeks off between the two when the leave is for Military Caregiver Leave only or is for a combination of Military Caregiver Leave, Military Emergency Leave, Bonding Leave and/or Family Care Leave taken to care for a parent.

12.8.3.3 Under some circumstances, an employee may take FMLA Leave intermittently—which means taking leave in blocks of time, or by reducing the employee’s normal weekly or daily work schedule. If an employee is taking FMLA Leave due to pregnancy or pregnancy disability purposes, the Pregnancy Disability Leave Section in this Article governs such leaves. Employees who take leave intermittently or on a reduced work schedule basis for planned medical treatment must make a reasonable effort to schedule the leave so as not to unduly disrupt the District’s operations. An employee must contact their immediate supervisor and the Human Resources Department prior to scheduling planned medical treatment. If FMLA Leave is taken intermittently or on a reduced schedule basis due to foreseeable planned medical treatment, the District may require an employee to transfer temporarily to an available alternative position with an equivalent pay rate and benefits, including a part-time position, to better accommodate recurring periods of leave.

If an employee using intermittent leave or working a reduced schedule finds it physically impossible to start or stop work mid-way through a shift in order to take CFRA leave and is therefore forced to be absent for the entire shift, the entire period will be counted against the employee’s CFRA entitlement. However, if there are other aspects of work that the employee is able to perform that are not physically impossible, then the employee will be permitted to return to work, thereby reducing the amount of time to be charged to the employee’s CFRA entitlement.

If an employee’s request for intermittent leave is approved, the District may later require an employee to obtain recertifications of their need for leave.

12.8.3.4 To the extent required by law, some extensions to FMLA Leave may be granted when the leave is necessitated by an employee’s work-related

injury/illness, a pregnancy related disability, or a “disability” as defined under the Americans with Disabilities Act and/or the Fair Employment and Housing Act (“FEHA”). When the reason for CFRA leave was the employee’s serious health condition, which also constitutes a “disability” under the FEHA and the employee cannot return to work at the conclusion of the CFRA leave, the District will engage in an interactive process to determine whether an extension of leave would constitute a reasonable accommodation under the FEHA. In addition, in some circumstances and in accordance with applicable law, an extension to FMLA Leave may be granted when the leave is taken to care for a registered domestic partner and/or a registered domestic partner’s child. Certain restrictions on these benefits may apply.

12.8.4 Notice and Certification

12.8.4.1 Bonding, Family Care, Serious Health Condition Leave, and Military Caregiver Leave Requirements

12.8.4.1.1 Employees may be required to provide: (1) when the need for the leave is foreseeable, 30 days advance notice or such notice as is both possible and practical if the leave must begin in less than 30 days (normally this would be the same day the employee becomes aware of the need for leave or the next business day); (2) when the need for leave is not foreseeable, notice within the time prescribed by the District’s normal absence reporting policy, unless unusual circumstances prevent compliance, in which case notice is required as soon as is otherwise possible and practical; (3) when the leave relates to medical issues, a completed Certification of Health-Care Provider form within 15 calendar days (for Military Caregiver

Leave, an invitational travel order or invitational travel authorization may be submitted in lieu of a Certification of Health-Care Provider form); (4) periodic recertification (but only to the extent permitted by applicable law, generally not under CFRA); and (5) periodic reports during the leave.

Certification forms are available from the Human Resources Department.

12.8.4.1.2 At the District's expense, the District may, if it doubts the validity of the certification provided by the employee, also require a second opinion regarding the employee's own serious health condition or the serious health condition of an employee's family member for Fed-FMLA purposes and, for CFRA purposes, the employee's own serious health condition. In some cases, the District may require a second or third opinion regarding the injury or illness of a "Covered Servicemember." Employees are expected to cooperate with the District in obtaining additional medical opinions that the District may require.

12.8.4.1.2.1 The health care provider designated by the District shall not be employed on a regular basis by the District.

12.8.4.1.2.2 If the second opinion differs from the opinion in the original certification, the District may require, at the District's expense, that the unit member obtain the opinion of a third health care provider, jointly approved by the District and the unit member. The opinion of the third health care provider shall be final and binding on the District

and unit member.

12.8.4.1.3 When leave is for planned medical treatment, an employee must make a reasonable effort to schedule treatment so as to minimize disruptions to the District's operation. Employees are to contact their immediate supervisor or Human Resources prior to scheduling planned medical treatment.

12.8.4.1.4 Recertifications After Grant of Leave

In addition to the requirements listed above, if an employee's Fed-FMLA Leave is certified, the District may later require medical recertification in connection with an absence that an employee report as qualifying for Fed-FMLA Leave. For example, the District may request recertification if: (1) the employee requests an extension of leave; (2) the circumstances of the employee's condition as described by the previous certification change significantly, e.g., an employee's absences deviate from the duration or frequency set forth in the previous certification; the employee's condition becomes more severe than indicated in the original certification; the employee encounters complications; or (3) the District receives information that casts doubt upon the employee's stated reason for the absence. In addition, the District may request recertification in connection with an absence after six months have passed since an employee's original certification, regardless of the estimated duration of the serious health condition necessitating the need for leave. Any recertification requested by the District shall be at the employee's expense.

In addition to the requirement listed above, a recertification

under the CFRA may be requested by the District at the expiration of the time period in the original certification for time off for the employee's own serious health condition.

12.8.4.2 Military Emergency Leave

Employees seeking to use Military Emergency Leave are required to provide: (1) the District with as much notice of the need for leave as is reasonable and practicable under the circumstances; (2) a copy of the covered military member's active duty orders when the employee requests leave and/or documentation (such as Rest and Recuperation leave orders) issued by the military setting forth the dates of the military member's leave; and (3) a completed Certification of Qualifying Exigency form within 15 calendar days, unless unusual circumstances exist to justify providing the form at a later date.

Certification forms are available from the Human Resources Department.

12.8.4.3 Failure to Provide Certification and to Return from Leave

Absent unusual circumstances, failure to comply with these notice and certification requirements may result in a delay or denial of the leave.

12.8.5 Generally, FMLA Leave is unpaid. The District may require employees to use accrued sick leave during any unpaid portion of FMLA Leave. However, the District will only require employees to use accrued sick leave during an unpaid portion of an FMLA Leave if the reason for the FMLA Leave is the employee's own serious health condition or for any other reason, mutually agreed to by the District and the employee. Employees may also choose to use accrued sick leave, to the extent permitted by law and the applicable sick sections in this collective bargaining agreement. When accrued sick leave is exhausted, the balance of the leave is unpaid. The use of paid benefits will not extend the length of a FMLA Leave.

12.8.6 Benefits

12.8.6.1 The District will continue making contributions for an employee's group health benefits during the employee's leave on the same terms as if the employee had continued to work. This means that if an employee want their benefits coverage to continue during the leave, the employee must also continue to make any premium payments that they are now required to make. Employees taking leave for a reason that is common to both Fed-FMLA and CFRA and, therefore, leave is running concurrently will generally be provided with group health benefits for a 12 workweek period. When employees take leave for a reason that is not common to both Fed-FMLA and CFRA and, therefore, leave is running consecutively the District will continue the employee's health insurance benefits for up to a maximum of 12 workweeks in a 12-month period during each applicable leave. Employees taking Military Caregiver Leave may be eligible to receive group health benefits coverage for up to a maximum of 26 workweeks. The District may recover the premiums paid for the employee during the leave if the employee fails to return from leave after the period of leave has expired for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to leave or other circumstances beyond the control of the employee. Accrued benefits such as sick leave will not accrue while on an unpaid FMLA Leave.

12.8.7 Job Reinstatement

12.8.7.1 Under most circumstances, an employee will be reinstated to the same position held at the time of the leave or to an equivalent position with equivalent pay, benefits, and other employment terms and conditions. However, employees have no greater right to reinstatement than if they had been continuously employed rather than on leave. For example, if an

employee would have been laid off had they not gone on leave, or if the employee's position has been eliminated during the leave, then the employee will not be entitled to reinstatement.

12.8.7.2 Prior to being allowed to return to work, an employee wishing to return from a Serious Health Condition Leave must submit an acceptable release from a health care provider that certifies the employee can perform the essential functions of the job as those essential functions relate to the employee's serious health condition. For an employee on intermittent FMLA Leave, such a release may be required if reasonable safety concerns exist regarding the employee's ability to perform his or her duties, based on the serious health condition for which the employee took the intermittent leave.

12.8.8 Entitlement to family care and medical leave for the purposes of the employee's own illness shall be satisfied by and run concurrently with leaves taken pursuant to section Articles 12.2 (Sick Leave), 12.3 (Entitlement to Other Sick Leave), 12.9 (Parental Leave) and, if applicable, 12.10 (Pregnancy Disability Leave).

12.8.9 Section 12.8 of this Agreement may be reopened at the request of either party if further legislation or state or federal regulations are implemented.

12.8.10 Department of Labor Notice WH1420 is attached to this Agreement as Appendix E. In addition, a link to the Notice is here:

12.9 Parental Leave

12.9.1 This Section is based on Education Code section 44977.5.

12.9.2 Definition of Parental Leave

For the purposes of this Section, "parental leave" has the same definition as set forth in Education Code section 44977.5, which provides that "parental leave" as "leave for reason of the birth of a child of the employee, or the placement of a child with an

employee in connection with the adoption or foster care of the child by the employee.”

12.9.3 Eligibility for Parental Leave

12.9.3.1 During each school year, when a unit member has exhausted all available sick leave, including all accumulated sick leave, and continues to be absent from the unit member’s duties on account of maternity or paternity leave pursuant to Government Code section 12945.2 and/or Education Code section 44977.5 for a period of up to 12 work weeks, the amount deducted from the unit member's salary shall be the amount actually paid a substitute employee employed to fill the position during the leave, or, if no substitute is employed, the amount which would have been paid to a substitute. Effective January 1, 2019, in no event, will a unit member receive less than 50% of his/her salary while using leave under this Section.

12.9.3.2 In order to be eligible for leave under this Section, a unit member is not required to have 1,250 hours of service with the employer during the previous 12-month period; however, the unit member must otherwise satisfy the requirements set forth in (a) of Government Code section 12945.2(a) and Article 12.8.1.

12.9.4 Calculation of Parental Leave

For the purposes of this Section:

12.9.4.1 The 12-week period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of parental leave pursuant to Government Code section 12945.2 and Article 12.8 if the unit member qualifies for such leave.

12.9.4.2 For unit members who have not worked 1,250 hours during the previous 12-month period, but otherwise meet the requirements of Government Code section 12945.2(a) and Article 12.8, the 12-week period shall be reduced by any period of sick leave, including accumulated sick leave,

taken during a period of parental leave.

12.9.4.3 A unit member shall not be provided more than one 12-week period per parental leave. If a school year terminates before the 12-week period is exhausted, however, the unit member may take the balance of the 12-week period in the subsequent school year. However, any leave under this Section must be completed within one year of the birth, adoption, or placement for foster care of the child.

12.9.4.4 The aggregate amount of parental leave taken pursuant to this Section and Section 12945.2 of the Government Code shall not exceed 12 workweeks in a 12-month period.

12.9.4.5 Parental leave taken pursuant to this Section shall run concurrently with parental leave taken pursuant to Government Code section 12945.2 and Article 12.8 and 12.10.

12.9.5 One 12-Week Leave Period Both Parents Employed By The District

When both spouses (registered domestic partners) of the child are employed by the District, and are eligible for leave under this Section, the spouses (or registered domestic partners) will be limited to a total of 12 workweeks off between the two of them when the leave is for parental leave.

12.10 Leave for Pregnancy Disability:

12.10.1 The District shall provide unpaid Pregnancy Disability Leave in accordance with applicable state (California Pregnancy Disability Leave "PDL") and federal (Family Medical Leave Act – FMLA) laws. Any employee who is disabled by pregnancy, childbirth, or a related medical condition is eligible for a Pregnancy Disability Leave of Absence. There is no length of service requirement. An employee who is disabled because of pregnancy, childbirth, or a pregnancy-related medical condition shall be entitled to up to four (4) months unpaid Pregnancy Disability Leave, as set forth in Article 12.14.3.5. The leave can be taken before or after the birth of the employee's

child.

12.10.2 For purposes of this Section, an employee is disabled when, in the opinion of the employee's healthcare provider, she cannot work at all or are unable to perform any one or more of the essential functions of the employee's job or to perform them without undue risk to herself, the successful completion of her pregnancy, or to other persons as determined by a health care provider. This term also applies to certain pregnancy-related conditions, such as severe morning sickness or if an employee needs to take time off for prenatal or postnatal care, bed rest, post-partum depression, and the loss or end of pregnancy (among other pregnancy-related conditions that are considered to be disabling).

12.10.3 Reasonable Accommodation for Pregnancy-Related Disabilities

12.10.3.1 Any employee who is affected by pregnancy may also be eligible for a temporary transfer or another accommodation. There is no length of service requirement. An employee is affected by pregnancy if she is pregnant or has a related medical condition, and because of pregnancy, the employee's health care provider has certified that it is medically advisable for her to temporarily transfer or to receive some other accommodation.

12.10.3.2 The District will provide a temporary transfer to a less strenuous or hazardous position or duties or other accommodation to an employee affected by pregnancy if: she requests a transfer or other accommodation; the request is based upon the certification of her health care provider as "medically advisable"; and the transfer or other requested accommodation can be reasonably accommodated pursuant to applicable law.

12.10.3.3 As part of this accommodation process, no additional position will be created and the District will not discharge another employee, transfer another employee with more seniority, or promote or transfer any employee who is not qualified to perform the new job.

12.10.3.4 Advance Notice and Medical Certification

- 12.10.3.4.1 Provide 30 days' advance notice before the leave of absence, transfer or reasonable accommodation is to begin, if the need is foreseeable;
- 12.10.3.4.2 Provide as much notice as is practicable before the leave, transfer or reasonable accommodation when 30 days' notice is not foreseeable; and
- 12.10.3.4.3 Provide a signed medical certification from the employee's health care provider that states that the employee is disabled due to pregnancy or that it is medically advisable for the employee to be temporarily transferred or to receive some other requested accommodation.

The District may require an employee to provide a new certification if she requests an extension of time for the leave, transfer or other requested accommodation.

12.10.3.5 Duration

- 12.10.3.5.1 The District will provide an employee with a Pregnancy Disability Leave of Absence for the duration of her pregnancy-related disability for up to four (4) months. This leave may be taken intermittently or on a continuous basis, as certified by her health care provider. The four months of leave available to an employee due to her pregnancy related disability is defined as the number of days (and hours) the employee would normally work within four calendar months or 17.33 workweeks.
- 12.10.3.5.2 Any temporary transfer or other reasonable accommodation provided to an employee affected by pregnancy will not

reduce the amount of Pregnancy Disability Leave time the employee has available to her unless the temporary transfer or other reasonable accommodation involves a reduced work schedule or intermittent absences from work.

12.10.3.6 Reinstatement

12.10.3.6.1 If the employee and the District have agreed upon a definite date of return from her leave of absence or transfer, she will be reinstated on that date if she notifies the District that she is able to return on that date. If the length of the leave of absence or transfer has not been established, or if it differs from the original agreement, she will be returned to work within two (2) business days, where feasible, after she notifies the District of her readiness to return.

12.10.3.6.2 Before an employee will be allowed to return to work in her regular job following a leave of absence or transfer, she must – utilizing the District’s online or other applicable leave of absence system – provide the Human Resources Department and specifically the Human Resources Generalist with a certification from her health care provider that she can perform safely all of the essential duties of her position, with or without reasonable accommodation. If she does not provide such a release prior to or upon reporting for work, she will be sent home until a release is provided. Any time an employee is not allowed to work due to not having provided the required release will be unpaid.

12.10.3.6.3 An employee shall be returned to the same or a comparable position upon the conclusion of her leave of absence or

transfer. If the same position is not available on the employee's scheduled return date, the District will provide her a comparable position on her scheduled return date or within 60 calendar days of that return date. However, the employee will not be entitled to any greater right to reinstatement than if she had not taken the leave. For example, if an employee would have been laid off had he/she not gone on leave, or if the employee's position has been eliminated during the leave, then the employee will not be entitled to reinstatement.

12.10.3.6.4 Failure to return to work at the conclusion of the leave of absence may result in termination of employment, unless an employee is taking additional leave provided by law or District policy or the District has otherwise approved the employee to take additional time off.

12.10.3.7 Integration with Other Benefits

Pregnancy Disability Leaves of Absence and accommodations that require an employee to work a reduced work schedule or to take time off from work intermittently are unpaid. An employee may elect to use accrued sick leave benefits during the unpaid leave of absence. However, use of paid time off will not extend the available leave of absence time. Sick leave hours will not accrue during any unpaid portion of the leave of absence, and an employee will not receive pay for official holidays that are observed during her leave of absence except during those periods when the employee is substituting sick leave for unpaid leave.

12.10.3.8 Benefits

12.10.3.8.1 The District will maintain an employee's health insurance

benefits during an employee's Pregnancy Disability Leave for a period of up to four months, as defined above, on the same terms as they were provided prior to the leave time. If an employee takes additional time off following a Pregnancy Disability Leave that qualifies as California Family Rights Act ("CFRA") leave, the District will continue the employee's health insurance benefits for up to a maximum of 12 workweeks in a 12-month period.

EXAMPLE: An employee takes 17.33 workweeks off due to a pregnancy disability. Assuming the employee is eligible for FMLA and CFRA leave, her Pregnancy Disability Leave will also be concurrently covered by FMLA and her group health insurance coverage would continue for the entire 17.33 workweek period. If, after the employee's pregnancy disability leave and FMLA Leave, has been completed, she wishes to take 12 additional weeks off from work to bond with a new baby under CFRA, the District will continue her health insurance benefits for up to additional 12 workweek period.

12.10.3.8.2 In some instances, the District may recover premiums it paid to maintain health insurance benefits if an employee fails to return to work following her pregnancy disability leave for reasons other than taking additional leave afforded by law or District policy or not returning due to circumstances beyond her control.

12.11 Leave Without Pay for Child Bonding Leave without pay or other benefits may be granted to unit members who do not qualify for leave under Sections 12.8 or 12.9 as follows for purposes of

bonding with a new child:

- 12.11.1 The unit member shall request such leave as soon as practicable, but under no circumstance less than ten (10) workdays prior to the date on which the leave is to begin. Such request shall be in writing and shall include a statement as to the dates the unit member wishes to begin and end the leave without pay.
- 12.11.2 The determination as to the date on which the leave shall begin and the duration of such leave shall be made at the discretion of the Superintendent/Designee when considering the scheduling and replacement problems of the District.
- 12.11.3 The duration of such leave shall consist of no more than twelve (12) consecutive months and shall automatically terminate on June 30th in the school year in which such leave is granted. An extension of leave may be granted, not to exceed an additional twelve (12) months.
- 12.11.4 The unit member is not entitled to the use of any accrued sick leave or other paid leave while such unit member is on childbearing preparation leave or leave for child rearing, whether or not the illness or disability is related to a pregnancy, miscarriage, childbirth, or recovery there from.
- 12.11.5 Unit members using leave under this Section shall not be entitled to compensation, benefits, increment, or the accrual of seniority for layoff or reductions in force, or other such purposes; nor shall probationary unit members earn credit for tenure purposes while using such leave, unless otherwise required by applicable law.

15.5.1 Effective November 1, 1992, the District will pay the basic premium of \$12.00 per year for PERS health plan options for eligible full-time retirees. The District contribution will increase annually by five percent (5%), as required by the Public Employees Retirement System, until parity is reached with the basic benefits contribution for active employees. In addition, the District will pay an annual retirement bonus of \$1,388.00, payable quarterly, to eligible full-time unit members who have provided a minimum of twenty (20) years of full-time paid service to the District, who retired between their 55th and 65th birthdays, and who retired on or after November 1, 1992. Those eligible full-time unit members who retired between July 1, 1989 and October 31, 1992, and who retired between their 55th and 65th birthdays, shall be entitled to the \$1,388.00 annual retirement bonus after eleven (11) years of full-time paid service to the District. The \$1,388.00 retirement bonus will be paid between the eligible full-time retiree's 55th and 65th birthdays, and will cease upon the eligible full-time retiree's 65th birthday. The District will continue to pay the basic premium contribution, currently \$12.00 per year, for the life of the retiree. There shall be no retroactive reimbursements.

15.5.2 From the eligible full-time retiree's 65th to 68th birthday, in addition to the \$12.00 per year basic premium contribution, the District shall pay an annual retirement bonus to eligible full-time unit members who retired and received a retirement bonus pursuant to Section 15.5.1, and to eligible full-time unit members who meet the

length-of-service and date-of-retirement requirements set forth in Section 15.5.1. The annual retirement bonus shall be \$688.00, payable quarterly. There shall be no retroactive reimbursements.

15.5.3 For those eligible full-time unit members who retired prior to July 1, 1989, and for those eligible full-time unit members who do not qualify for the Retirement Bonus Incentive Program, the District will make an annual contribution for PERS, health benefits coverage of \$12.00. The District contribution will increase annually by five percent (5%), as required by the Public Employees Retirement System, until parity is reached with the basic contribution for active unit members.

15.5.4 If the District withdraws from or ceases participation in the PERS health benefits program, all District contributions to retirees set forth in this Article, including the basic District PERS contribution and the retirement bonus, shall cease.

15.6 Changing Coverage: Unit members may change from one health or dental plan to another during the open enrollment period each year. Unit members must have been enrolled in a vision plan for a two (2) year period before they will be allowed to change to another, and then only during open enrollment.

15.7 Unit members may change from one health insurance carrier to another during the open enrollment period each year.

15.8 Unit members who work a complete school year shall maintain Health and Welfare Benefits in the currently selected plan, as an active participant, effective through the end of the month following the month in which the unit member's employment ends. These unit members may elect COBRA coverage and, subject to the unit member meeting the requirements in Article 15.8.1-15.8.2, coverage will be available to the unit member through COBRA for a maximum of two months following the termination of active coverage in the medical benefits plan. For that maximum two month period, the District will continue to reimburse its share of the medical contributions.

For purposes of Section 15.8, a complete school year means that an employee is in paid status –

exclusive of time an employee is on paid administrative leave where the employee does not return from such leave by reason of the employee's employment with the District ending – at least 75% of the days the schools are in session and is employed on the last day of the employee's contractual work year.

15.8.1 For those unit members described above, at the conclusion of a school year, the District will reimburse the employee, if applicable:

15.8.1.1 Any amounts withheld from the tenthsly withholdings that would have been used as the unit member's portion of the medical premium payments for the 11th and 12th months of coverage for the unit member if he/she had remained a District employee beyond the conclusion of the unit member's contractual work year of the respective year.

15.8.2 Separations Other Than Retirement

15.8.2.1 In addition, as long as the unit member whose employment with the District ended for reasons other than retirement provides proof that he/she has timely elected COBRA coverage, for the up to two month period following the termination of active coverage in the medical benefits, upon receipt of proof of payment as explained below, the District will reimburse the unit member the amount of the District's portion of the unit member's monthly medical benefit premium as well as any administrative fee charged to the unit member for receiving coverage under COBRA.

15.8.2.2 To be eligible for reimbursement under this Section, an employee must elect COBRA within 60 calendar days from the date the COBRA notice is sent to the unit member or 60 calendar days from the date his/her member coverage as an active member ceases, whichever is later. If a unit member does not elect COBRA timely, he/she will not be eligible to receive reimbursement under this Section.

15.8.2.3 To receive this reimbursement, the unit member must provide the District

with documentation demonstrating that he/she made the COBRA premium payment to the applicable carrier no later than December 1st. Such documentation may consist of a canceled check and billing statement from the carrier or a billing statement from the carrier that establishes payment was made. Upon receipt of that documentation, the District will reimburse the unit member within 5 business days.

15.8.2.4 If the unit member obtains medical coverage through another source within the two month period following the termination of active coverage in the medical benefits, the unit member shall notify the District of this fact and the District's obligation to reimburse the unit member will cease.

15.8.3 Separations Due To Retirement

Article 15.5 is not impacted by this Section.

15.8.4 The District will provide information to unit member regarding their eligibility for reimbursement under Section 15.8.1 and Section 15.8.2 for separations other than retirement. The information will be provided as part of the District's COBRA notice or in a separate cover letter sent at the same time as the COBRA notice.

15.8.5 In the following situations, the parties agree to immediately reopen negotiations to address this Section:

15.8.5.1 If the laws and regulations addressing an employee's ability to remain an active participant in a medical benefits plan offered through CalPERS following the unit member's employment ending are modified, revised, or repealed; or

15.8.5.2 If the District moves from CalPERS as its provider of medical benefits to another provider whose rules and/or requirements are inconsistent with this Section.

- 15.9 Unit members who terminate their employment prior to the close of the school year shall be covered under the District's Health and Welfare Program through the last day of the payroll period for which premiums have been paid.
- 15.10 The Association and the District agree to convene a Health Insurance Cost Containment Committee with equal number of representatives from the Association and the District. All of the District's employee bargaining units will be invited to participate on the Committee.
- 15.11 The District and the Association agree to the formation of a joint committee to develop an "Employee Assistance Program."

ARTICLE 16

SALARY AND SALARY SCHEDULE RULES AND REGULATIONS

16.1 General: Unit members who serve less than the required annual number of working days for regular full-time unit members in their classification, shall receive salary in the ratio that the number of days actually served bears to the total number of annual working days for that classification. Notwithstanding the above, unit members who serve for one (1) full school semester, shall receive not less than one-half (1/2) the annual salary applicable to their group and step.

16.1.1 Mandatory deductions from gross earnings are those required by law and include State Income Tax, Federal Income Tax, and State Teachers Retirement System.

16.1.2 Optional deductions are those deductions the unit member may elect to have taken from his/her earnings. Such deductions are made for items and services that are, from time to time, made available to the unit members by Board action. Optional deductions must be initiated in writing by the unit member. This authorization shall remain in effect continuously until the District receives from the unit member written notice withdrawing the authorization for the deduction.

16.2 Salary

16.2.1 2020-2021 and 2021-2022 School Years

16.2.1.1 For employees covered by Salary Schedules A, B, D, F, H, and X, the District agrees to provide an ongoing salary increase of 3.0% to each salary schedule, retroactive to July 1, 2020. To be eligible to receive the increase, the bargaining unit employee must have been employed during the 2020-2021 and 2021-2022 school years and be employed through June 10, 2022. Employees who have not worked a complete school year during the 2020-2021 school year, and are employed through June 10, 2022, will have the retroactive payment prorated based upon the number of days in paid service during the partial school year worked, e.g. if an

employee worked 92 days during the 2020-2021 school year, they will receive 50% of the retroactive payment amount. The District will notify CEA of the timing of when the retroactive payment will be made.

16.2.1.2 Upon full ratification of the parties' negotiations and all corresponding tentative agreements, the District agrees to provide a one-time off schedule payment of \$1,500 to each bargaining unit employee. To be eligible to receive the off-schedule payment, the bargaining unit employee must have been employed during the 2021-2022 school year and remain employed through June 10, 2022. The off-schedule payment will also be prorated based upon an employee's full-time equivalency status. The District will notify CEA of the timing of when the off-schedule payment will be made.

16.2.2 2022-2023 School Year

16.2.2.1 For employees covered by Salary Schedules A, B, D, F, H, and X, the District agrees to provide an ongoing salary increase of 6.5% to each salary schedule effective July 1, 2022. To be eligible to receive the increase, the bargaining unit employee must have been employed through August 12, 2022. The District will notify CEA of the timing of when the retroactive payment will be made.

16.2.2.2 In addition, for employees covered by Salary Schedules A, B, D, F, H, and X, the District agrees to provide an ongoing salary increase of 1.0% to each salary schedule effective January 1, 2023.

16.2.3 Recognition/Retention Stipend – The District will provide a one-time only recognition/retention stipend of \$4,000 for unit member with 30 years of service with the District as of July 1, 2007.

16.3 Initial Placement on Schedules: Effective as of the full ratification of the parties tentative agreements for negotiations for the 2017-2018 school year, credit for service outside the District shall be allowed on the salary schedule at the rate of one (1)

increment (step) for one (1) year of comparable service up to a maximum of ten (10) increments. New hires shall be given up to ten (10) years on the salary schedule upon verification of teaching experience with a valid California teaching credential and in compliance with District rules and regulations, and maximum of fifteen (15) years on the salary schedule for new hires in District defined difficult to staff areas. Private school experience for step increment on the salary schedule will be accepted, providing the private school is state accredited, the educational program is equal to that which is carried out in public schools, and the unit member in question held a valid credential at time of teaching. Unit members employed to teach vocational education subjects may be granted up to ten (10) years of credit for appropriate work experience, including work as a journeyman, in lieu of teaching experience. All previous experience shall be verified by official statements by unit members before experience credit shall be allowed.

16.3.1 All course work approved for initial placement must be verified by official transcripts. Obtaining official transcripts is the responsibility of the unit member. All transcript verifications must be received within thirty (30) days of the signing of the unit member's initial contract. Failure to do so will result in the District's withholding salary warrants until such documents are placed on file. Earned degrees received and units of study in an accredited institution of higher learning shall be allowed for initial placement and subsequent horizontal movement on the salary schedule. The accreditation status of a college, university, or private school at the time of the unit member's initial employment shall prevail.

16.3.2 Unit members whose initial District employment was in programs conducted under contract with public or private agencies or other categorically funded projects, and then were subsequently employed as probationary unit members with no break in service, shall be credited with the time served in the specially funded program for salary schedule placement and advancement purposes.

16.3.3 The lowest beginning salary shall be \$50,481.00 for newly hired unit members

holding a preliminary or clear credential. The increase in the beginning salary shall continue so long as separate funding is available from the state at no cost to the District, i.e., there shall be no encroachment on general funds to fund the increase in beginning salaries. The District shall submit to the Association a draft modified salary schedule to the Association. The minimum beginning salary agreement shall not take effect until the draft modified schedule is approved by the Association and the District.

16.4 Vertical Movement: All unit members shall advance one (1) vertical step on the salary schedule for each year of service, except those whose placement is at the maximum step for their class.

16.4.1 Unit members who have been employed in the regular educational program of the District as probationary or permanent members before being subsequently assigned to programs conducted under contract with public or private agencies or other categorically funded projects will be entitled to continue on the salary schedule for each year of service while assigned to such restricted programs.

16.5 Horizontal Movement: Course credit for salary placement and movement shall be given only for post-graduate, upper division or graduate course work taken at four-year colleges, universities or graduate schools which are accredited by the Association of American Universities and Colleges.

16.5.1 Semester hours (units) as defined by the particular accredited college or university will be acceptable for placement on the salary schedule. Quarter hours (units) shall be converted to semester hours (units) by multiplying the total of such hours (units) by two-thirds (2/3).

16.5.2 Unit members requesting reclassification from one class to another must file such requests with the Human Resources Department no later than April 15th of each year. Supporting records or transcripts verifying post-graduate units of study that are to apply to such a reclassification must be filed with the Human Resources Department no later than September 30th of the ensuing school year, for courses

completed by September 30th of the school year. If by September 30th the unit member is unable to submit supporting records or transcripts verifying post-graduate units of study that are to apply toward reclassification, official notices in the form of a grade card or letter from the college or institution shall be submitted. Such temporary verifications which indicate satisfactory completion of the course(s) shall be sufficient evidence to meet the above requirements. The unit member shall provide the official transcript or affidavit document to the District as soon as it is available, but no later than December 1st.

16.5.3 The burden of proof of training, experience, possession of credentials and other required documents shall lie with the unit member, both for initial placement and for subsequent reclassification. Any error in classification shall be corrected as soon as the error is verified.

16.5.4 Audit courses will not be accepted as training credits valid for salary schedule placement or reclassification. Credit will not be accepted for course work taken in the armed service, except as it was taken in conjunction with an accredited college or university and can be verified through official transcripts. Course work taken through a foreign university or other institution which sponsors travel tours for credits assigned upper division or graduate status, assigned a course title, and given unit value, shall be accepted. Such foreign university or other institution must be listed in the current edition of accredited institutions of higher learning, specified above.

16.5.5 If a unit member believes that participation in a lower division course will be of direct benefit to the District and that a similar benefit is not available at an upper division or graduate course level, such unit member may petition the District for a waiver. Such waiver, if granted, would allow the units so approved to be counted for advancement on the salary schedule. Prior to the date of enrollment in lower division courses, the unit member must make formal application to the District and receive approval in the form of the aforementioned waiver.

16.5.6 If a student from a teacher training institution is assigned to a unit member for training purposes and the District receives a stipend for this service from the institution, then the unit member to whom the student teacher is assigned shall receive the stipend.

16.6 Differential Compensation for Bilingual Teacher. Unit members serving in Limited English Proficient (LEP) positions shall have the opportunity to strengthen the determination and evaluation of components of the District's LEP program through the development of a District committee where fifty percent (50%) of the unit members will be appointed by the Association. Final decisions regarding the program shall be reserved to the District.

16.6.1 Unit members shall have the opportunity to participate in the on-going diagnosis of pupils.

16.6.2 Reclassification criteria shall be determined by the District after taking into consideration unit member input and state-recognized assessment instruments.

16.6.3 Stipends for LEP Teachers: Bilingual classroom or resource teachers who are instructing full-time in a bilingual program shall be entitled to a stipend as follows:

16.6.3.1 A bilingual classroom or resource teacher with certification in a Bilingual Credential or with a valid Certificate of Competence shall be paid monthly a stipend of \$3,000 annually.

16.6.3.2 A bilingual classroom or resource teacher with certification in two (2) competencies or with a Language Development Specialist certificate (LDS) shall be paid a stipend of \$1,500 annually.

16.6.3.3 A bilingual classroom or resource teacher with certification in one competency shall be paid an annual stipend of \$375.00, provided such competency was earned within the preceding nine (9) years. Those classroom or resource teachers who have not requalified in the preceding nine (9) years shall receive the current stipend amount, \$250.00.

- 16.6.4 All stipends shall be paid on a tenthly basis. Stipends will become effective the first semester after the unit member obtains the qualifying bilingual certification and after the unit member submits to the Human Resources Department an official notification letter indicating successful test results and/or a copy of the certificate itself. Test scores will be valid for nine (9) years, unless otherwise provided by law. (CLAD/BCLAD Certificate Handbook, California Commission on Teacher Credentialing.) Unit members whose qualifying becomes effective beginning in the second semester shall be paid a prorated share fifty percent (50%) of the stipend.
- 16.6.5 Effective June 30, 2006, all existing EL authorization stipend shall end and no additional EL authorization stipends will be offered by the District.

- 16.7.1 Possess a valid and current special education credential(s) issued by the California Commission on Teacher Credentialing; and
- 16.7.2 Are assigned to a position for which the credential(s) is/are required. The District will pay the stipend in the last pay warrant of each school year. The stipend amount shall be prorated for bargaining unit employees who do not meet the eligibility requirements set forth in 16.7.1 and 16.7.2 above for an entire school year with the proration being based upon the actual period of time during a school year the bargaining unit employee satisfies 16.7.1 and 16.7.2 above.
- 16.8 Effective July 1, 2022, the District agrees to provide an annual stipend of \$1,000 to bargaining unit employees who possess and register with the District a doctorate from a WASC or regionally accredited university/college that is either: (a) a Doctorate in Education; or (b) a Doctorate in the subject matter to which the employee is assigned to teach for the District, e.g. a high school math teacher who possesses a doctorate in math. To be eligible to receive the stipend, the bargaining unit employee must have registered the doctorate with the Human Resources Department prior to the first day of instruction. The stipend will be paid annually in the bargaining unit employee's

final pay warrant for that school year. The bargaining unit employee must still be employed as of the date the stipend is being paid to be eligible to receive the stipend.
